D. 1897, and an Act entitled, "An Act creating a Bureau of Health in the Department of Public Safety in cities of the second class, defining the powers and duties thereof and of the officers thereunder, prescribing rules and regulations and laws respecting the public health, and authorizing and imposing fines, penalties and punishments for violations thereof," approved the 26th day of June, A. D. 1895.

Second. The liability of the city of collecting, removing and disposing of garbage, offal, tin cans, dead animals and condemned meat under these specifications shall be limited by the amounts provided by the provisions of this ordinance.

Third. The manner, mode and form of the removal and disposal of garbage, offal, tin cans, dead animals and condemned meat in and throughout the city under these specifications shall be by that process known as the reduction process, incineration method, or by some other equally as good method, subject to the approval of the Director of the Department of Public Safety, who shall be the sole and absolute judge as to what might be termed any other approved method.

Fourth. Any reduction, incineration or other plant or plants as may be necessary for carrying out these specifications in their entirety, shall be located within the limits of the City of Pittsburgh at such point or points as the Director of the Department of Public Safety shall select and approve, but the contractor may locate his plant or plants outside of the corporate limits of the City of Pittsburgh, if he so desires.

Fifth. If, in the disposal of garbage, offal, tin cans, dead animals and condemned meat in the City of Pittsburgh by reduction or any other method that may be used, there shall be any residuum, refuse matter or materials of any kind whatever of any offensive character arising or resulting from or remaining after said disposals, said residuum, refuse matter and material shall, within twenty-four hours, be removed from and beyond the limits of the City of Pittsburgh.

Sixth. The term "garbage," wherever it occurs in these specifications, means all refuse of animal and vegetable matter which has been used for food for man, and all refuse animal and vegetable matter which was intended to be so used, and includes condemned food. The term "dead animals," wherever it occurs in these specifications, means all dead animals, or parts thereof, not intended to be used for man.

Seventh. The garbage, offal, tin cans, dead animals and condemned meat shall be removed from all hotels, dwellings,

restaurants, stock yards, slaughter houses, markets, streets, alleys, lands, lanes, squares and all public places in the City of Pittsburgh.

Eighth. Collections shall be made daily, except Sunday, from all the public markets, hotels, restaurants, fish markets, butcher shops, hospitals, slaughter houses, and all other places where animals game or fowls are killed within the city; providing, however, that the removal of dead animals and animal offal shall be at such hours as shall be prescribed by the Director of the Department of Public Safety.

Ninth. During the months of June, July, August, September and October garbage shall be removed from all houses in the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Thirteenth, Fourteenth, Fifteenth, Sixteenth, Seventeenth, Eighteenth, Twentieth, Twenty-first wards, and that portion of the Nineteenth lying north of Penn avenue and east of Negley avenue, the dwelling houses and residences on North Negley avenue to be included therein, three times each week; the Twenty-fourth, Twenty-fifth, Twenty-sixth, Twenty-eighth, Twenty-ninth, Thirtieth and Thirty-seventh wards, three times each week; in all other portions of the city where garbage may accumulate, two collections shall be made each week. During the months of February, March, April, May, November, December and January the garbage shall be removed twice each week from all places designated hereinabove as requiring three removals during the summer months, and once each week from places requiring two removals each week during the summer months. Nothing contained in this paragraph shall interfere with the requirements of these specifications as set forth in paragraph eighth.

Tenth. Dead animals, lying upon any of the streets, alleys or public highways, or elsewhere must be removed immediately to the disposal plant upon receiving notification thereof, either from the Bureau of Health or the Bureau of Police; and if the contractor fails, neglects or refuses to have the same removed within six hours after receiving notice, either by telephone or otherwise (excepting in cases where such notices shall be given between the hours of 3 P. M. and 6 A. M., in which instance the reckoning of the six hours shall be computed from 3 A. M.), the sum of \$10 per day for every day of failure, neglect or refusal to comply herewith shall be deducted from the next monthly bill of said contractor, which deductions shall be deemed, taken and treated as liquidated damages and not as penalties.

Eleventh. Garbage, offal, tin cans and condemned meat shall be collected in and transported through the streets of the city in vehicles with water-tight, closed metal boxes, the same to be approved by the Director of the Department of Public Safety, and shall not be changed without the approval of the

aforesaid Director. These receptacles or wagons shall have closely fitted lids, which lids must at all times be closed, and kept closed excepting when loading or unloading garbage, offal, tin cans or condemned meat, and must not at any time be driven over the public streets, or highways in an overcrowded or overloaded condition. The wagons shall be thoroughly washed and disinfected each day immediately after the close of the day's hauling and shall not appear on the public streets and highways of the City of Pittsburgh in an unsanitary or unsightly manner. For any failure, neglect or refusal on the part of the contractor or any of his agents or employees to thoroughly wash and disinfect daily the wagons as herein provided, there shall be deducted from the next monthly pay due the said contractor the sum of \$5 per day for each and every wagon not so washed and disinfected, which deductions shall be deemed, taken and treated as liquidated damages and not as penalties.

Twelfth. The entire work of collecting, removing and disposing of garbage, offal, tin cans, dead animals and condemned meat shall be at all times accessible to the Director of the Department of Public Safety or his authorized representatives.

Thirteenth. Each bidder shall submit with his bids drawings distinctly and clearly showing his method by which it is intended to dispose of the garbage, dead animals and animal offal; but no bid will be considered which contemplates the dumping of such material either within or without the corporate limits of the city, or feeding the same to animals, except as herein previously provided in case of residuum.

Fourteenth. All receptacles, carts or conveyances of whatever kind used for the collection and removal of garbage, offal, tin cans, dead animals and condemned meat shall be so constructed and loaded so as to prevent any part therein from falling on any of the streets, alleys, lanes or public highways of the city, and must have the name of the contractor and the number of the wagon printed on each side of the same in letters of the size to be easily read, and shall carry thereon at least one gallon of good quality of disinfectant for use in cases of emergency; and should any driver or employee of the contractor, by his carelessness or negligence, allow any garbage, offal, tin cans, dead animals or condemned meat to fall upon the public street, lanes, alleys, highways or sidewalks of the City of Pittsburgh, he shall immediately clean up the same and place it in the wagon or receptacle and thoroughly disinfectant the place on which said garbage, etc., etc., was dropped; and for any failure on his part to comply herewith there shall be deducted from the next monthly payroll or sum due the said contractor the sum of \$10.00 for each and every offense, which sum shall be deemed, taken and treated as liquidated damages, and not as penalties.

Fifteenth. No money, gratuity, reward, fee or other valuable consideration, except the compensation agreed to be paid by the city, shall be charged, received or taken by the contractor, or any of his agents or employees, for doing or failing to do any part of the work required to be done under these specifications.

Sixteenth. The contractor shall at all times use such appliances and employ such or so many men for the performance of all the operations connected with the work embraced under these specifications as will secure a satisfactory rate of progress and quality of work, and in case it shall appear at any time that the work, or any part thereof, is not being properly done, the same shall be immediately corrected upon the demands of the Director of the Department of Public Safety or his authorized representative, but no omission on the part of the said Director to notice or call attention to such defect shall be held to be a waiver of said rights of said Director to do so, or from directing the same to be corrected, as aforesaid.

Seventeenth. In case of failure by the contractor to comply in any respect with the specifications or with the contract, the Director of the Department of Public Safety shall have the right and power and is authorized to provide for the collection, removal and disposal of garbage, offal, tin cans, dead animals and condemned meat which the contractor shall fail to collect, remove or dispose of, and to charge the expense to the contractor, and the contractor and his sureties shall be liable for the expense incurred therein.

Eighteenth. The contractor shall make monthly reports or blanks approved by the Director of the Department of Public Safety, which shall show the number of full loads and parts of loads, or in case of dead animals, the number of species collected, together with the weights thereof, and shall be sworn to before the City Controller.

Nineteenth. All work shall be done under the supervision of the Director of the Department of Public Safety, and all details of such work as are not herein particularly specified shall be done in a manner acceptable to him.

Twentieth. The contractor shall have and maintain telephone communication with the office of the Bureau of Health, and be prepared to receive orders between the hours of 6 A. M. and 12 P. M. Said telephone communication to be at said contractor's own proper cost and expense.

Twenty-first. All wagons for hauling dead animals shall have a lid or covering of an approved design or style, which lid or covering must be at all times thrown over the wagon so as to cover up all carcasses or dead animals, excepting when loading or unloading.

Twenty-second. Any official or employee of the contractor for removing garbage, offal, tin cans, dead animals or condemned meat, using improper or vile

language, being under the influence of liquor while on duty or demanding pay from citizens for service rendered, or falsifying any report he may be called upon to make, or if refusing to collect and remove garbage, offal, tin cans, dead animals and condemned meat without being paid for the same, except as is provided and allowed as compensation by the City of Pittsburgh, shall immediately be discharged and debarred from further employment in said work. Should the contractor keep in his employ or at any time re-employ any person or persons in violation of this paragraph, there shall be deducted from the next monthly sum due him five (\$5) dollars for each person for each and every day so employed, which sum shall be deemed, taken and treated as liquidated damages, and not as penalties. Only full grown men shall be employed in said work, and each of said employees shall wear in a conspicuous place a badge, showing his number and marked "Garbage Collector."

Twenty-third. The contractor shall indemnify and hold harmless the City of Pittsburgh, the Mayor, the Director of the Department of Public Safety and the Superintendent of the Bureau of Health of the City of Pittsburgh against any and all claims which may be made by reason of any infringement of any patent right in the use of any machinery or apparatus necessary in the disposal of the garbage, offal, tin cans, dead animals and condemned meat under these specifications; and said bond shall also indemnify and hold harmless the Mayor, Director of the Department of Safety and the Superintendent of the Bureau of Health of the City of Pittsburgh, its officers, agents or servants, and each and every one of them, against and from all suits or actions of every kind and description brought against the City of Pittsburgh, the Mayor, the Director of the Department of Public Safety and the Superintendent of the Bureau of Health, or any of its officers, agents or servants; and also from damage and costs to which it, they, or any of them may be put by reason of injury to the person or property of any other, resulting from negligence or carelessness, or otherwise, in the performance of its obligations under the contract, or from any defective or improper appliances used in the performance of the same.

Twenty-fourth. The contractor shall have printed, at his own cost and expense, a notice to be left at each and every hotel, tavern, eating house and dwelling house in the city, stating that a collector will call for offal, garbage and will on certain days mentioned in the notice, and requiring that such offal, garbage and swill will be ready in prescribed and suitable vessels for the collector when he calls for the same. Each notice shall have appended thereon a copy in full of Section 20 of an Act of Assembly entitled, "An Act creating a Bureau of Health in the Department of Public Safety in cities of the second

class, defining the powers and duties thereof and of the officers thereunder, prescribing rules and regulations and laws respecting the public health, and authorizing and imposing fines, penalties and punishments for the violations thereof," approved June 26th, A. D. 1895. Before such notice is printed and distributed, however, a true copy of the same shall be submitted to the Director of the Department of Public Safety of the City of Pittsburgh for his approval.

Twenty-fifth. Each bid shall be accompanied with a bond in the sum of ten thousand (\$10,000) dollars, with two sureties, executed before the City Clerk or the Assistant City Clerk, or the bond of a Security Trust Company, for the acceptance of the contract if awarded by the City of Pittsburgh; or in lieu of such bond, a certified check or bank certificate of deposit, payable to the City of Pittsburgh, may be filed with the proposals, and the person or persons, firm or corporation to whom the contract is awarded shall file a bond to the City of Pittsburgh within ten days after the contract has been awarded in the sum of fifty per centum of the cost of said contract to faithfully carry out its provisions.

Twenty-sixth. All labor and equipment of every kind necessary to carry out the provisions of these specifications shall be furnished by and at the expense of the contractor.

Twenty-seventh. When the contract has been entered into it shall not be assigned, transferred or set over to any other person or persons, firm or firms, corporation or corporations, nor will any power of attorney to collect monies due be recognized, and any party assuming the direction of the work, or taking part therein, shall be considered as an employee under these specifications and under the contract. Any violations of the Acts of Assembly or the ordinance of these specifications, shall be sufficient cause for the immediate cancellation of the contract by the Mayor and the Director of the Department of Public Safety, who may thereupon employ the necessary labor to perform the work, or re-advertise and relet the work at the expense of the offending contractor and his sureties.

Twenty-eighth. All parts of these specifications are intended to be explanatory of each other, but in case any misunderstanding or doubt as to the meaning of any of the provisions thereof shall arise, the same shall be submitted to the Mayor and the Director of the Department of Public Safety for their decision, and their interpretation shall be final, binding and conclusive, without exception or appeal.

Twenty-ninth. Monthly payments shall be made to the contractor within the first ten days of each and every month, said payment to be made after the contractor has filed proper vouchers according to law for the same, and upon the certificate of the Superintendent of the Bureau of Health in such sums as may be agreed upon and fixed in the con-

tract hereinafter to be entered into between the City of Pittsburgh and the contractor, said payments to be made subject to the provisions of these specifications.

James H. Cassidy, Clerk.

Members of the Fifty-eighth Congress, are to visit the City of Pittsburgh on May 8 and 9, 1905, to become more fully informed on its industrial situation in connection with the Ohio Valley and its tributaries, so that the information may determine the advisability of improving the Ohio river to a depth of nine feet, giving Pittsburgh a tide-water connection; Congress having ordered a survey. This improvement will cost about \$100,000,000, and will be completed in about ten years; and

Whereas, Pittsburgh being the greatest freight producer that will be directly benefited by this improvement, it is unusually fitting that the city should take charge of the Committee on Rivers and Harbors on its visit, and lend its aid toward its fitting entertainment; therefore,

Resolved, That a committee of nine be appointed by the Presidents of Councils (four from Select and five from Common) for this purpose, which committee shall have power to expend a sum not exceeding \$5,000 for the entertainment of the Committee on Rivers and Harbors. (And this sum shall be provided by transfer from Appropriation No. 26, Point Bridge, of the sum of \$2,500, and of deficiency, up to \$2,500, out of Appropriation No. 37, street repaving, and these amounts to be transferred to the Contingent Fund, Appropriation No. 42, and the warrants for above expenses to be drawn on said Contingent Fund.)

## No. 79

Whereas, Margaret J. Walker, now deceased, was the owner of a lot situated in the Twenty-first ward, Pittsburgh, fronting 20.88 feet on Mayflower street, and extending back 100 feet. The said lot was deeded to her by Annie Fuhr, nee Walker, and husband, on July 18, 1892, which deed was registered in the Deed Register's office of the City of Pittsburgh, on August 18, 1892, and that during the years 1897, 1898 and 1899 the City Assessors, through error, assessed said lot in the name of Annie E. Walker, instead of Margaret J. Walker, and for the said years Frank Fuhr, agent for said Margaret J. Walker, paid taxes on what he supposed was the property of Margaret J. Walker, but he found out later that he was paying taxes on property of Mary J. Walker, through the error of said Board of Assessors in not having the property properly transferred, and through no fault of his own, and the taxes on the property of Margaret J. Walker were never paid; and

Whereas, The City of Pittsburgh has filed liens at Nos. 882 Dec. Term, 1898, 961 December Term, 1899; and 827 December Term, 1900, D. T. D., against said lot, all of which liens are illegal, being filed against Annie E. Walker, instead of Margaret J. Walker, the registered owner, but they are a cloud on the title, and should be removed; therefore, be it

Resolved, That the Collector of Delinquent Taxes be and he is hereby authorized and directed to enter satisfaction in full, on the record in the Prothonotary's office, of Allegheny County, of D. T. D., No. 882, December Term, 1898; D. T. D., No. 961, December Term, 1899; and D. T. D., No. 827, December Term, 1900, and charge the costs to the City of Pittsburgh.

## No. 123

Whereas, It is absolutely necessary to lay a water pipe line on Missouri street, between Lemington avenue and Oliphant street, in the Twenty-first ward of the City of Pittsburgh, because of houses to be erected on said street, and

Whereas, It appears that no sufficient appropriation has been made for the fiscal year of 1905 to enable the City of Pittsburgh itself to lay the necessary water pipe lines for the required water supply in the said plan; now, therefore, be it

Resolved, That the City of Pittsburgh hereby gives its consent to W. L. Curry, and he is hereby authorized and empowered to lay the said water pipe line on the said Missouri street, between Lemington avenue and Oliphant street, in the Twenty-first ward of the City of Pittsburgh, under the forms of contracts and specifications approved by the City of Pittsburgh, and under the direction and supervision of the Director of the Department of Public Works of the said city.

Provided, That the said City of Pittsburgh shall have the right and option, at its election, to purchase from the said W. L. Curry all of the said pipes, fire hydrants and appurtenances laid or established under this resolution, at any time in the future it may see fit so to do, for a price not exceeding the actual cost of the laying and establishing of said pipes, fire hydrants and appurtenances, as ascertained by the said Director at the time the work was done.

And provided further, That the cost of laying and establishing said pipes, fire hydrants and appurtenances shall not, in any event, exceed the sum of eight hundred dollars (\$800.00.)

Mr. **Barry, P. J.**, moved

That a committee of five, three from Common Council and two from Select Council, be appointed to notify the Controller-elect that the Joint Session awaited him, and to escort him to Common Council chamber.

Which motion prevailed.

President **Wightman**, of Select Council, appointed Messrs. **Barry, P. J.**, and **Atkinson**.

President **Ward**, of Common Council, appointed Messrs. **Helmold**, **Taylor** and **Semmelrock**.

The **Chair** directed the committee to notify the Controller-elect that Councils were now ready to receive him and administer the oath of office.

The committee retired and returned with the Controller-elect.

And Mr. **Barry** said:

"Mr. Chairman and Gentlemen of Select and Common Councils:

"It affords me great pleasure to present Mr. John B. Larkin, Controller-elect of the City of Pittsburgh."

The **Chair** presented  
The following certificate of election:  
Commonwealth of Pennsylvania, } ss.  
County of Allegheny.

I, William B. Kirker, Prothonotary of the  
Courts of Common Pleas No. —, in and for the  
County and State aforesaid, do hereby certify

That at an election held on the 21st day of  
February, A. D. 1905,

**JOHN B. LARKIN,**

Having received **31,286** votes, was duly elected  
to the office of City Controller of the City of  
Pittsburgh, County and State aforesaid.

Witness my hand and the seal of said Court  
the 3d day of April, 1905.

**WILLIAM B. KIRKER,**

[Seal.] Prothonotary.

Which was read, received and filed.

And the oath of office was administered to  
Controller-elect John B. Larkin by Chairman  
**Wightman.**

And Controller John B. Larkin presented his  
official bond in the sum of \$10,000.00, with John  
C. Reilly and James Coyle as sureties.

**Mr. Semmelrock** moved

That the bond be received, approved  
and filed.

Which motion prevailed.

And Controller John B. Larkin addressed  
Councils as follows:

Mr. Chairmen and Gentlemen:

The solemnity of the oath just administered  
is made doubly impressive through this as-  
semblage of participants in our local govern-  
ment, and it must remind you, as the convic-  
tion is thrust upon me, that the taking of an  
oath is not a mere formality, but a solemn de-  
claration; an appeal to the Searcher of all hearts  
to bear witness to our promise, or to the truth  
of our statements.

There are greater occasions in government  
than this, but none more exacting, none more  
sacred than the vow to render an account of  
our stewardship before the great tribunal.  
May I, through His mercy, enabling strength,  
power and influence, comply with the exac-  
tions of the oath now being recorded against  
me, and at the same time and in the same  
spirit, meet the obligations all public servants  
owe to the generous and considerate people of  
this city.

Allow me to thank you for the courtesy  
shown me in this assemblage of the legislative  
branches of government, and in return, I in-  
vite your aid in promoting with zeal, prudence  
and economy every public trust committed to  
us. We should be proud of the authority given  
to us, and of the far reaching good that must  
result from its proper exercise, remembering  
always the admonition, "as you shall answer  
to Almighty God on the last great day."

I again thank you, gentlemen.

**Mr. Roenigk** addressed Council as follows:

Mr. Chairman and Gentlemen:

I want to extend my personal congratula-  
tions, publicly, to the city first, and secondly  
to the Controller, for the success he has  
achieved as a public officer. The city is the

gainer by again electing an officer who has  
proved so faithful and efficient. The citizens  
of Pittsburgh are not as able to judge what a  
valuable officer they have gained as well as  
members of Councils.

I simply wanted to make a few remarks in  
recognition of the efforts and sincerity on the  
part of the Controller, and I again extend my  
congratulations to the citizens of Pittsburgh  
and to the Controller.

**Mr. Costello** addressed Councils as follows:

Mr. President and Members of Councils:

It is seldom on occasions of this kind that I  
undertake to presume upon the patience of  
these Councils. On this occasion, Mr. Presi-  
dent, I feel it incumbent upon me to say a few  
words to express my opinion of the gentleman  
who has just taken the oath of office for the  
next three years. It has been truly said by  
Mr. Roenigk, the gentleman who preceded me,  
that the people of Pittsburgh are not so well in-  
formed as to the record of the gentleman who  
has just taken the oath of office as the members  
of these Councils are. It is too true that the  
people seldom keep in view the principles that  
underlie the government of this city, and have  
often failed to appreciate their best friends, be-  
cause of a lack of proper interest in the efforts  
of the man in office to protect their affairs.  
However, I may say that on this occasion  
I feel, as a citizen of this city, that the  
people have done their duty well. I feel  
prouder of the people of the City of Pittsburgh  
to-day than I ever have before, because of the  
fact that they rallied around the standard of  
the man who stood at all times loyal to the  
best interests of the people of this city. I feel a  
double pride because of the fact that I am one  
who believes that the only true freedom that  
can exist for the people is when the people  
sever themselves from party loyalty and as-  
sume that independent sphere in municipal  
affairs that creates for those whom they elect  
that feeling that it is the people's interest, and  
for them alone, whose duty it is that they  
should protect and not be tied down by party  
loyalty or party considerations. In speaking  
upon this question, I feel confident that the  
gentleman whom we are here to-day assembled  
to have sworn in as Controller of this city will  
be in the future what he has been in the past,  
that three years from to-day, if he lives—and I  
believe that we all hope that he will be spared  
to carry out the principles for which we elected  
him—will stand before the people as true and  
honorable a man as he was three years ago.

I thank you, gentlemen, for the privilege of  
having spoken in his behalf.

**Mr. P. J. Barry** moved

That the joint session do now adjourn.

Which motion prevailed.

And Select Council returned to its own  
chamber.

And Common Council was called to order.

**Mr. Semmelrock** moved

That the action of the joint session be  
ratified and confirmed.

Upon which motion the ayes and noes were  
taken agreeably to law, and were:

No. 899.

Resolution on the death of Hon. Henry Parker Ford.

Hon. Henry Parker Ford, who, for a generation was a prominent figure in affairs of our municipal government, died suddenly on Good Friday morning at his home, 529 Green street, Eleventh ward. When a child he came to Pittsburgh with his parents, and after his school days rapidly developed into a citizen whose activities in the business world and in city affairs were early recognized and finally brought him deserved recognition and honor in his election as Mayor of Pittsburgh.

In 1881 Mr. Ford was elected by the people of the Eleventh ward to represent them in Select Council. After nine years of continuous and intelligent service he was chosen President of Select Council in 1890, serving in this position until 1895, when the Republican party nominated and elected him Mayor.

The public career of Mr. Ford was characterized at all times and under all circumstances by a remarkable fidelity. He was constant, consistent and careful in his attention to all the details of the work entrusted to him by the people. So in his conduct and manner toward all who came in contact with him, officially or socially, he always was ready to give full recognition to the claims of the small as well as the great, the rich as well as the poor. He was truly charitable. All his subordinates loved him for his fairness and his kindly interest in their affairs. Modest and reticent, he maintained a dignified bearing in harmony with his exalted ideas of the duties and responsibilities of public office. His steadfastness in friendship and his loyalty to principle were acknowledged and admired by all.

Therefore, with a deep sense of loss in his sudden death, realizing the greatness and goodness of the man, and recognizing the value of his disinterested service to the City of Pittsburgh, it is hereby ordered that this minute be published upon the records of Councils as a testimonial to the memory of Henry Parker Ford.

**Mr. Brand** moved

To adopt the resolution by a rising vote.

Which motion prevailed.

And the resolution was adopted by a unanimous vote.

#### BUSINESS FROM SELECT COUNCIL.

The **Chair** took up

S. C. Bill No. 264. An Ordinance providing for the purchase of a certain lot or piece of ground situate in the Twenty-second ward of the City of Pittsburgh for the erection of an engine house and police station thereon.

In Select Council April 10, 1905. Substitute adopted as original. Rule suspended, bill read three times and finally passed.

Which was read.

**Mr. Kohne** moved

## MOTIONS AND RESOLUTIONS.

Mr. Bole moved

That the committee appointed at the last meeting to entertain the Congressional Committee on Rivers and Harbors be discharged.

Mr. Brand arose to the point of order

That the committee had not performed the duties for which it was appointed, and it was therefore not in order to discharge it.

The Chair ruled

That the point was not well taken, a majority of the votes of Common Council being sufficient authority to discharge the committee.

Upon the motion Mr. Brand demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken and being taken were:

*To the Select and Common Councils of the City of Pittsburgh:*

GENTLEMEN—I return herewith C. C. Resolution No. 883 without my signature for the following reasons: The City of Pittsburgh, through J. Guy McCandless, Director of the Department of Public Works, and J. O. Brown, City Recorder, entered into a contract with Messrs. M. F. Howley & Co., dated August 18, 1902, to do certain work at Schenley Park. For reasons over which the city had no control the work was not completed and the final estimate amounting to \$7,075.22 made until May 4th of this year. The engineer in charge of the work and the Superintendent of Parks report that the amount shown in the final estimate is all the money that M. F. Howley & Co. are entitled to. If they are not satisfied with the estimate the contract provides a method for collecting for extra work.

Very respectfully yours,

W. B. HAYS,

Mayor.

Which was received and read.

And on the question, "Shall the bill become a law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.

Bailey	Helmold	Roenigk
Barr	Hughes	Scott
Barton	Johns	Semmelrock
Bockstoce	Kohne	Shenkan
Brand	Maslowski	Simon
Cronmiller	Martin	Taylor
Dengler	Milby	Wallace
Frankel	Myers	Zeuger
Fullerton	Morin	Clinton
Gibbon	McKnight	Mertz
Hammer	McNally	

Ayes—31 1-2.

Noes—None.

And there not being three-fifths of the votes of Common Council in the affirmative the bill failed to pass over the Mayor's veto.

Mr. Brand arose to the point of order

That the roll showed three-fifths of the votes of Common Council were in the affirmative and that the bill passed.

The Chair (Mr. Porter) ruled

That it was not proper to accept a fraction of a vote in making a legal majority. In other words, that the bill required at least 32 affirmative votes.

Mr. Taylor moved

To reconsider the vote by which the bill failed to pass notwithstanding the objections of the Mayor.

The Chair ruled

That the motion was not in order.

#### BUSINESS OF SELECT COUNCIL.

The Chair took up

S. C. Bill No. 258. An Ordinance authorizing the opening of Jackson street, from the east line of James J. Booth's plan of lots to Highland Park, and the assessment of damages caused by the grade of the same.

## MOTIONS AND RESOLUTIONS.

Mr. Mertz presented

C. C. No. 1015.

Since our last meeting death has entered our midst and taken from us a fellow member, John H. Bryant, who died on June 3, 1905, after a lingering illness.

John H. Bryant was born in Pittsburgh 50 years ago, and lived in the Borough of Elliott for about 30 years, representing his ward in the Council of that borough for five years, and becoming a member of this body upon the annexation of Elliott as the Thirty-ninth ward of this city. He tried to serve his constituents faithfully, and attended Council meetings when he was almost physically unable to do so.

In the death of John H. Bryant Common Council has lost a good and conscientious member, and we are deprived of a true and faithful friend; therefore, be it

Resolved, That the sympathy of this body be extended to the widow and family of the deceased member, and that this minute be spread upon the records of Councils.

Mr. Brand moved

That the resolution be adopted by a rising vote.

And the motion prevailed by a unanimous rising vote.

## BUSINESS FROM SELECT COUNCIL.

The Chair (Mr. McKelvey) took up

C. C. Bill No. 882. An Ordinance creating two additional positions in the Department of Charities and Correction, one to be known as Examining Physician and one as Assistant Resident Clerk, and fixing salaries for same.

In Select Council June 12, 1905. Read a second time and agreed to as amended; read a third time and finally passed.

And on the question: "Shall Common Council concur in the action of Select Council?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.

Bailey	Helmold	McNally
Barr	Hughes	Porter
Rockstoce	Joyce	Rapp
Bole	Kohne	Roenigk
Bonini	Lauth	Scott
Brand	Lewis	Semmelrock
Cronmiller	Maslowski	Simon
Dengler	Martin	Taylor
Frankel	Mathews	Wallace
Gulland	Myers	Walls
Hammer	McKnight	Mertz

McKelvey, President pro tem.

Ayes—33 1-4.

Noes—None.

And a majority of the votes of Common Council being in the affirmative, the action of Select Council was concurred in.

**Mr. Brand** inquired

Whether the members of Common Council from the Thirty-ninth ward should not be recorded as having one-third vote each.

The **Chair** ruled

That there now being but three members of Common Council from the Thirty-ninth

ward, the Clerk is instructed to record each of the three members as having one-third of one vote.

**Mr. McNally** moved

That Council do now adjourn.  
Which motion prevailed.

And Council adjourned.

The Chair presented

No. 1068. Communication from the Director of the Department of Public Works relating to C. C. Bill No. 984, "An ordinance authorizing the submission to the electors the question of increasing the indebtedness of the City of Pittsburgh, etc."

Which was read, received and filed.

No. 1068.

June 26th, 1905.

To the Members of Common Council:

GENTLEMEN:—You have before you an Ordinance providing for an election on the subject of a Bond issue for the sum of two million dollars (\$2,000,000.00), for the removal of the "Hump."

The estimates were prepared, as you know, on a basis of an eighteen foot cut at Fifth avenue and Wylie avenue, and a fifteen foot cut at Fifth avenue and Grant street. The improvement was to be made with the understanding that a majority in number and interest would waive all claims for damages against the City of Pittsburgh.

On June 17th I received a communication from Mr. H. C. Frick, one of the largest property owners in the "Hump" district, declining to sign a waiver of damages unless the cut was reduced to six feet at Fifth avenue and Wylie avenue, and, at the same time, expressing his belief that the improvement could be made along the lines suggested by him with much less damages and accomplishing the results sought.

I had a meeting with Mr. Frick on Saturday June 21th, when he agreed to waive all claims for damages, provided the improvement would be based on a four foot cut on Grant street, in the center of the square, between Fifth avenue and Diamond street.

I have carefully gone over the plans, using the four foot cut as a base, and find that it will result in a cut of seven and one-half feet at Fifth avenue and Grant street and a twelve foot cut at Fifth avenue and Wylie avenue; the grade on Fifth avenue, between Cherry alley and Smithfield street, will not be changed, but between Cherry alley and Grant street will be reduced from seven and 8-10 feet per cent., to four and 3-10 feet per cent. The area of the improvement would be reduced from Third avenue, Old avenue and Tunnel street on the north; Seventh avenue to Sixth avenue on the east; Third avenue to Fourth avenue on the south, and Smithfield street to Cherry alley on the west.

Knowing the subject to be one of great importance to the citizens of Pittsburgh and one that should be carefully considered before final action is taken, I would ask that you return the Ordinance to the Committee, that they may have all parties interested before them and give you their conclusions as to what should be done.

Yours respectfully,

EDWARD M. BIGELOW,

Director Department of Public Works.

And Mr. E. M. Bigelow, Director of the Department of Public Works, having been given the privilege of the floor, addressed Council.

Mr. McKelvey moved

That C. C. Bill No. 984 be recommitted to the Committee on Finance for further consideration.

Which motion prevailed.

Mr. Porter presented

From the Committee on Public Works, with an affirmative recommendation,

#### BUSINESS FROM SELECT COUNCIL.

S. C. No. 346.

PITTSBURGH, PA., July 10, 1905.

*To the Select and Common Councils of the City of Pittsburgh.*

GENTLEMEN—Some time since my attention was called by the East End Board of Trade to the fact that the street cars of the City of Pittsburgh were being operated without being properly equipped with a modern improved pilot or safety guard, as required by ordinance of June 22, 1893. After the request made by the proper representatives of that body, I consulted Hon. W. B. Hays, Mayor, and we concluded to notify the Pittsburgh Railways Company, which company operates all street cars in the City of Pittsburgh, to equip a number of cars with what the officials of that company would consider the most modern improved pilot or safety guard for exhibition, test and my ap-

proval. After a good deal of investigation and experiment by the company three different demonstrations or tests were given and about thirty fenders exhibited, a number of which were suggested by me. Many blue prints or plans of various styles and designs in addition to the practical exhibitions were also submitted for our consideration. Both His Honor, the Mayor, and myself gave the matter considerable attention, thought and careful examination, and while fenders of various kinds were submitted and different ideas as to styles of fenders revealed, it has been our conclusion that none have yet been put on exhibition or made at all can be considered of any real value to the public.

The law of the City of Pittsburgh requiring that all street cars be properly equipped with a modern improved pilot or safety guard makes it obligatory upon the Director of the Department of Public Safety to enforce the provisions of this ordinance and imposes a penalty of not less than \$10 nor exceeding \$50 for each car so operated for every thirty (30) days of neglect or failure, said penalty to be collected as other penalties are now by law collectable.

I do not believe that any law was ever contemplated or passed which should impose a hardship upon any community or legitimate business interest, and in view of the fact that a modern improved pilot or safety guard, whereby life and limb would be preserved, has not as yet been demonstrated to be practical, notwithstanding the fact that the Railways Company has spared no expense in experimenting, I deem it my duty both to the legislative bodies of the City of Pittsburgh and the public generally to call your attention to the existing conditions and ask that you give the matter careful consideration before any action shall be taken by this Department in the way of enforcing the penalties provided in the ordinance for failing to have the cars properly equipped, and therefore submit this communication to your honorable bodies, with the hope that it will receive proper consideration by you.

I would therefore suggest the passage of a resolution providing for the appointment of a committee of five, two from Select and three from Common Councils, for the purpose of examining into and reporting on the question of the street passenger railway companies being compelled to comply with the provisions of the ordinance.

Respectfully submitted,

HARRY MOORE.

Director Department of Public Safety.

Which was read, received and filed.

Also

S. C. Bill No. 347.

Resolution providing for the appointment of a committee of five, two from Select and three from Common Council, to examine into and report on the question of street car pilots or safety guards.

**Mr. Pfannkuch moved**

The adoption of the resolution.

Which motion prevailed.

And the Chair appointed

Messrs. Pfannkuch, Shenken and Roenigk.

**Mr. Fullerton moved**

To reconsider the vote last taken on C. C. Bill No. 984. "An Ordinance authorizing the submission to the electors of the City of Pittsburgh the question of increasing the

indebtedness of the City of Pittsburgh to an amount not exceeding \$2,000,000 for reducing the grade of Fifth avenue, etc."

Mr. Brand arose to the point of order.

That the maker of the motion and the second must both have voted with the negative or prevailing side on the vote last taken.

The Chair decided the point not well taken.

Mr. Brand appealed from the decision of the Chair.

The Chair (Mr. Ward) called Mr. McKelvey to the Chair.

And on the question, "Shall the decision of the Chair be sustained?"

The ayes and noes were taken, and being taken were:

Ayes—Messrs.

Bockstoce	Hughes	Roenigk

**MOTIONS AND RESOLUTIONS.**

**Mr. Roenigk presented**

No. 1206. Communication from City Controller in relation to the improvement of Hamilton avenue.

PITTSBURGH, PA., September. 25, 1905.

*To the Select and Common Councils of the City of Pittsburgh:*

Gentlemen:

I would most respectfully and earnestly ask for the repeal of the ordinances relating to the location, extension and widening of Hamilton avenue.

A public improvement that will cost about \$316,000, and will only enhance the value of abutting and contiguous property \$41,000, should be given another and more appropriate title.

If the figures are correct, the cost of this proposed improvement was estimated a few months ago at between six and seven hundred thousand dollars, all of which it was proposed should be taken from the public treasury and from the pockets of people who have no interest in Hamilton avenue, and many of whom, possibly, do not know its location.

Mr. Bigelow very promptly and wisely withdrew the award, and a recent review of the work cut the damages in two. In other words, if the people of the city could not afford to pay \$800,000 for an enterprise they had no interest in, it was thought they might be induced to pay \$316,000 without protest, although the viewers who fixed the amount confessed the resulting benefits would amount to only \$41,000. The bare proposition to expend \$316,000 of other people's money to extend and widen an avenue, the improvement of which will only benefit affected property \$41,000, is absurd. That the people of that section of the city need, or will need in the near future, increased facilities for traffic and travel is not questioned; nor is it fair, with the limited knowledge I have of the value of property there to say what the improvement may ultimately cost; but whatever the amount, it should be assessed against those who are to be benefited, and not against the city or the same people who suffered in the widening of Frankstown avenue.

That the people on Frankstown avenue are to suffer another loss of sixty feet of their land to make room for another and a parallel avenue at a distance in some cases of a trifle over one hundred feet from the improvement just completed, and for the relief of the same traffic, would not be seriously thought of in any other American city, nor would it be permitted.

Independent of this assault on the vested rights of those owning the property affected by this proposed change, it would make valueless for present purpose a district which, through its railroad connections, is peculiarly adapted to the consignment, storage and distribution of supplies for the entire Liberty Valley, and I think you will agree with me there should be no abridgement of this convenience.

In suggesting to your Honorable Bodies the correction of the abuses of this system of injustice, I disclaim any attempt to dictate or more than sub-

mit to your good sense the wisdom of a prompt repeal of that which is odious, inequitable and burdensome. This case is only one of a great number which in recent years have aggregated millions of dollars wrongfully taken from many people and given to the few under the false notion that there is no alternative.

This is not a new question; it is an old and growing evil, and it must be met, and the way to meet it is to develop a sentiment against it that will compel the enactment of such legislation as will require from one citizen the equivalent of whatever the law says he shall surrender to the convenience or use of his neighbor. With your indulgence, I beg to quote from my Annual Report of 1902 what was then submitted to you on this subject: "Assessments Against the City."

"No provision was made for their payment for the reason that these claims have been accumulating until they have reached the million dollar mark, and the Controller, in connection with the Finance Committee, as well as the Controller's assistant, very much doubted the wisdom of taking that much money from the people through taxation without first submitting the matter to Councils for review and, for such revision in method of assessment as would be equitable."

"These assessments are not only for work along lines on which the city holds title to abutting property, but for improvement of streets and construction of sewers on which private property alone abuts. If discretion to divide cost of work on a thoroughfare between the city and the parties benefited is centered in the Board of Viewers, the law should be repealed; if not so vested, a review should be had and the cost made to follow the improvement. There are at intervals great public improvements affecting and benefiting a large proportion of the people, the expense of which should be widely distributed and, possibly, largely met by the city; but it does not follow that in the ordinary opening up, paving and grading of new streets, and in the construction of sewerage for same, the city should pay any portion of the cost, nor should the work be ordered unless the abutting property is benefited sufficiently to bear the cost of an equitable pro rata assessment. Your attention is respectfully called to this in the hope of providing in some way for the present indebtedness and the avoidance of such charges in the future."

Reimpressed with the gross wrong to the people of the city, I appealed to you again in my Annual Report of 1904, as follows:

#### "ONEROUS OBLIGATIONS."

"A practice which in its inception was intended to relieve hardships in deserving and exceptional cases has grown to such proportions as to become a great and grievous wrong. In outlining public improvements care should be exercised in determining their scope and

whether local or general in their character. If general and affecting the community as well as abutting property, the charge against the work might, with justice, be distributed and the city regarded as a beneficiary; but where the benefits are merely local the city should not be assessed with any portion of the work.

It seems to have been the practice in late years, and is rapidly growing, of getting all the improvements that can be had at other people's expense. In other words, local improvements are very often made where the benefits are not equal to the damages, and the difference is charged to the city by the Board of Viewers. A street that is not able to take care of its own improvements should not be improved unless it can be shown that surrounding territory and population will be benefited, and in that case it seems to me the assessment should be distributed and graded in proportion. To illustrate: one block of Woolslayer alley was graded and paved at a cost of \$10,375, of which \$8,200 was charged against the city. Downing street was graded and paved at a cost to abutting property of two-thirds of whole cost, other one-third being charged to the city; and so on through a long list of improvements which in any one year aggregate tens of thousands of dollars. I do not believe that in many of these cases, and the books are full of them, the general public is benefited in any way, and some plan should be adopted by which this practice of improving any portion of the local thoroughfares at the expense of the general public should be stopped. If the city owns any property abutting on streets improved, it should be assessed with it just as any other holder, not otherwise. Either change the law and make all improvements at public expense, or charge the cost to the abutting and benefited property.

The Controller has nothing whatever to do with these assessments, except to countersign the warrants for payments; but where they amount to tens of thousands of dollars annually, and no money in the treasury to pay them, it makes plain an unwarranted and reprehensible discrimination in favor of the few and against the many."

The law probably justified the Viewers in their assessment against the city of \$275,000 of the \$316,000 estimated cost, but there is neither justice nor equity in such a law, and the better plan is to summarily dismiss the proceedings until the law can be repealed, as the abolition of this system is and has been generally demanded by the people of this city.

I have the honor to be

Very respectfully,

J. B. LARKIN.

Controller.

Which was read.

Mr. Brand moved

That the communication be received and filed.

Mr. **Roenigk** moved

To amend by adding "and spread upon the record."

#### FROM SELECT COUNCIL.

S. C. No. 390.

Resolution for the appointment of a Joint Committee to consider and report on the advisability of establishing a city light plant.

S. C. No. 390.

Whereas, It is a matter of common knowledge that the City of Pittsburgh is being discriminated against by some of its public service corporations and is being overcharged for the lighting of its streets and alleys, an amount aggregating \$75,000 per annum; and

Whereas, It is believed that by the construction and operation of its own lighting plant the city would effect a saving to its taxpayers estimated to be at least \$40,000 per annum; therefore, be it

Resolved, That the Presidents of Councils be and are herewith instructed to appoint a Joint Committee of three members of Select Council and four members of Common Council, with power to secure estimates of costs and plans of construction of a municipal light plant and report the same to Councils, together with such recommendations as the Committee may make.

In Select Council November 27, 1905. Read and adopted.

Which was read.

Mr. Roenigk moved

That Common Council concur in the action of Select Council.

Which motion prevailed.

Mr. Brand moved

To amend the resolution by inserting after the words, "and report the same to Councils," the words, "at the second meeting in January, 1906."

Which motion prevailed.

And the Clerk was directed to message the same to Select Council for concurrence.

Mr. McNally moved

That Council do now adjourn.

Which motion prevailed.

And Council adjourned.

No. 1402.

Resolution instructing the Mayor and the Director of the Department of Public Works to notify the Allegheny County Light Company that the city will accept service of light under the conditions of its franchise ordinance.

C. C. No. 1402.

Whereas, The contract of the Allegheny County Light Company, with the City of Pittsburgh, for the year 1905, is about to expire;

Whereas, The City of Pittsburgh is paying an exorbitant price for furnishing of arc lights in the lighting of the city;

Whereas, In Ordinance No. 32 entitled, "An Ordinance granting to the Allegheny County Light Company the privilege of erecting poles upon streets," approved October 31, 1881, recorded in Ordinance Book, vol. 5, page 272, section 3, provides, "The city grants the privileges mentioned in this ordinance on condition that the said company, when required by Councils, shall erect such number of electric lamps as may be demanded by Councils on any or all of the streets traversed by its wires, at a price not to exceed 75 per cent of the price charged to private consumers."

Whereas, The Allegheny County Light Company has been furnishing light for some time to private consumers at a known cost of \$2.00 per year; therefore, be it

Resolved, by Select and Common Councils, That the Mayor and the Director of Public Works be hereby instructed to notify the aforesaid Allegheny County Light Company that the city will use its service for the ensuing year without the usual contract, on the terms specified in the company's franchise ordinance, approved October 31, 1881.

Which was read.

Mr. Brand moved

That the resolution be adopted.

Mr. McKelvey moved

To amend the resolution by referring it to the City Solicitor for an opinion.

The motion prevailed.

**Mr. Roenigk presented**

No. 1403.

Resolution requesting the Mayor to instruct the Director of the Department of Public Works to furnish the Committee on Incidental Revenues with certain information.

C. C. No. 1403.

Whereas, A Committee for the investigation and collection of revenues due the city, other than direct taxation, known as the Revenues Committee, has, by a resolution of this Council, been appointed; and

Whereas, The said Committee has already secured a revenue that will amount to fifty thousand dollars, or thereabouts, annually, with other reliable information that will enable the collection of other sums which will increase the annual revenues from sources other than that of direct taxation, to hundreds of thousands; and

Whereas, The Committee has been restricted by the Director of the Department of Public Works, by withholding information necessary to collect the revenues due the city from the Citizens Passenger Railway Company, and other corporations; and

Whereas, Numerous appeals to the Director of the Department of Public Works and several to his Honor, the Mayor, including the letter which is hereto appended, have not been complied with by either his Honor, or the Director. Therefore, be it

Resolved, That his Honor, the Mayor, is hereby requested to instruct the Director of the Department of Public Works to aid the Revenues Committee, giving it promptly all the information he now has, or may have, and to instruct his various bureaus to promptly obtain such data as may be required, and turn the same over to the Committee.

December, 7th, 1905.

Hon. W. B. Hays, Pittsburgh, Pa.

DEAR SIR: After an exhaustive unsuccessful endeavor to get the necessary information

from the Department of Public Works for the use of the Revenues Committee, of which I personally advised you some days ago, and at the same time appealed to you for assistance, which you promised to give, I now have to advise you that the Director of the Department of Public Works has failed to produce the report so necessary for the Committee's success.

The report has been in the Director's keeping for four weeks, so we are informed.

I trust you do not want the Committee to insist on their rights, but will instruct the Director to give all necessary information promptly to the Committee, so that the monies due the City from corporations, and other sources not direct taxes, may be collected.

Respectfully yours,

Chairman of Revenues Committee.

Which was read.

Mr. Brand moved

That the reading of the minutes of the previous meeting be dispensed with.

Which motion prevailed.

Mr. Brand presented

No. 1404. Certificate of election of O. C. Sutherland to the office of Council in the Borough of Esplen.

Also

No. 1405. Certificate of election of Harry D. Kidd to the office of Council in the Borough of Esplen.

Also

No. 1406. Certificate of election of Robert Gray to the office of Council in the Borough of Esplen.

Which were read, received and filed.

And Messrs. Sutherland, Kidd and Gray presented themselves.

The Chair said:

"How many members of Council had you in the Borough of Esplen?"

Mr. Sutherland said:

"Seven, but I believe one has resigned."

The Chair:

"Is that resignation a matter of record in the Borough Council?"

Mr. Sutherland:

"I do not believe it is a matter of record."

The Chair:

"The Chair directs that for the present the vote of the Fortieth ward, formerly the Borough of Esplen, be apportioned one-seventh vote to each member, or you may choose one of your number to represent you, and in that case the member so chosen shall have one vote."

And the Chair administered the oath of office to Messrs. Sutherland, Kidd and Gray as members of Common Council.

#### BUSINESS FROM SELECT COUNCIL.

C. C. Bill No. 1279. An Ordinance to authorize the proper officers for and on behalf of the City of Pittsburgh to enter into a contract with the Pittsburgh Junction Railroad Company, relative to the re-location and change of grade of the said Pittsburgh Junction Railroad in the said city, between the southerly end of the present tunnel of said Railroad Company at Neville street and Second avenue, the vacation and change of grade of streets and the location and opening of new streets and other matters incident to or connected with the said change and improvements of said railroad.

In Select Councils December 27, 1905, bill as read a second time agreed to, rule suspended, bill read a third time and finally passed.

Which was read.

On the question, "Shall the bill as read a first time be agreed to?"

Mr. Roenigk demanded a division of the vote, which being taken, was:

Ayes—13.

Noes—27.

And a majority of the votes being in the negative, the bill was rejected.

#### REPORTS OF SPECIAL COMMITTEES.

Mr. Mathews reported, with an affirmative recommendation,

S. C. Bill No. 329. An Ordinance authorizing the vacation of an unnamed street, 25 feet in width, (formerly the western one-half of Fairmount avenue, as located by a plan approved by Councils December 30, 1872), dedicated as a street in the Ingleside Plan of Lots, from Breedshill street to Columbo street.

In Common Council September 11, 1905, rule suspended, bill read a second time and referred to committee of three, Messrs. Mathews, Roenigk and Barr.

In special Committee January 18, 1906, bill ordered to be returned to Councils with an affirmative recommendation.

And the bill as read a second time was agreed to.

Mr. Mathews moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read the third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.

Barr	Hammer	O'Brien
Bergmann	Helmold	Plannkuch
Bockstoe	Hughes	Porter
Bole	Johns	Rapp
Bonini	Joyce	Roenigk

#### COMMON COUNCIL.

R. B. WARD.....President  
JOHN E. GABLE.....Clerk

Council met pursuant to the following call:

PITTSBURGH, PA., January 22, 1906.

MR. JOHN E. GABLE,  
Clerk of Common Council.

DEAR SIR—Please call a special meeting of Common Council for Thursday, January 25, 1906, at 7:30 o'clock P. M., for the consideration of business from Select Council, and such other business as may come before the meeting.

Yours respectfully,

R. B. WARD,  
President.

Which was read.

Present—Messrs.

Ward, President.

Mr. McNally moved

The election of Mr. McKelvey as President Pro Tem in the absence of President Ward.

And there being no further nominations Mr. McKelvey was elected and took the Chair.

On motion of Mr. Porter the reading of the minutes of the previous meeting was dispensed with.

The Chair took up

S. C. No. 420. Communication from the Mayor relative to appointment of a committee to investigate the needs of the Carnegie Library for the coming fiscal year.

S. C. No. 420.

MAYOR'S OFFICE,  
PITTSBURGH, PA., January 22, 1906.

To the Honorable, Select and Common Councils of the City of Pittsburgh.

GENTLEMEN:—The estimates submitted by Mr. W. N. Frew, President of the Board of Trustees of the Carnegie Library, for the fiscal year beginning February 1, 1906, are considerably more than that of last year and much larger than that of any other city in the United States, as shown by letter comparing cost of maintenance of public libraries submitted by Mr. John B. Larkin, City Controller.

I would, therefore, suggest that a committee from your honorable bodies be appointed to visit the Carnegie Library with Mr. Frew, or some one representing the Board of Trustees to familiarize yourselves with the needs of that institution.

We are trying to economize in all our departments during the coming year, and while it is not our intention to handicap the Board of Trustees in any way, we are desirous of saving money, wherever possible, and for that reason suggest that you make the above appointment.

Respectfully yours,

W. B. HAYS,  
Mayor.

In Select Council January 22, 1906. Read, received and filed and motion passed for the appointment of a joint committee of five, two from Select and three from Common Council.

Which was read.

Mr. Brand moved

That Common Council concur in the action of Select Council.

Which motion prevailed.

Also

S. C. Bill No. 386. An Ordinance granting to the South Side Electric Manufacturing Company, its successors, lessees and assigns the right to enter upon the streets, alleys and highways of the City of Pittsburgh, south of the Monongahela river, for the purpose of erecting, constructing, laying, maintaining, operating and using its wires, cables and conductors upon, through, along, under and over said streets, alleys and highways.

In Select Council January 22, 1906. Rule suspended, bill read three times and finally passed.

Which was read.

**Mr. Bright** moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

**Mr. Roenigk** moved

To amend the motion so as to allow the second reading of the bill.

On which question **Mr. Roenigk** demanded a division of the vote, which being taken, was:

Ayes—25 2-7.

Noes—3.

So the amendment prevailed.

And the motion as amended prevailed.

The bill was read the second time.

**Mr. Roenigk** moved

To amend the title by inserting in line 4, after the word "river," the words, "for a term of twenty-five (25) years."

Upon which motion **Mr. Roenigk** demanded a call of the ayes and noes.

Which was not sustained.

And the motion did not prevail.

**Mr. Roenigk** moved

Upon which motion **Mr. Roenigk** demanded a call of the ayes and noes.

Which was not sustained.

And the motion did not prevail.

The bill as read the second time was agreed to.

**Mr. Brand** moved

A suspension of the rule to allow the third reading and final passage of the bill.

Which motion prevailed.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question "Shall the bill pass finally?"

The ayes and noes were taken agreeably to law, and were:

Ayes—Messrs.

Bailey	Gibbon	McKnight

Bergmann	Girdwood	McKnight
Brand	Johns	Gray
Bright	Martin	Dietrich

Ayes—31.

Noes—13 2-7.

And there not being three-fourths of the votes of Common Council in the affirmative, the motion did not prevail.

**Mr. Roenigk** moved

A suspension of the rule to allow the second reading of the bill.

Upon which motion **Mr. Brand** demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

Ayes—Messrs.

Barton	Helmold	Pfannkuch
Bockstoce	Hughes	Porter
Bole	Kalchthaler	Rapp
Bonini	Kohne	Roenigk
Cronmiller	Lauth	Semmelrock
Dengler	Lewis	Shenkan

McKelvey, President Pro Tem.

Noes—Messrs.

Bailey	Collins	Milby
Barr	Finerty	Morin
Bergmann	Girdwood	McKnight
Brand	Johns	Gray
Bright	Martin	Dietrich

Ayes—31.

Noes—13 2-7.

And there not being three-fourths of the votes of Common Council in the affirmative, the motion did not prevail.

**Mr. Roenigk** arose to a point of order.

No. 1459.

C. C. No. 1279 was read a first time and rejected and is so endorsed by the Clerk. A motion to reconsider the vote by which the ordinance was rejected did not prevail. The rule of Common Council, Section 9, page 49, of the manual, provides that "No second motion to reconsider any question shall be entertained."

It is not good practice to make our rule on the suspension of rules retroactive, and the **Chair** should hold a motion for suspension in this case out of order. According to our own practice, however, and the rules of the Pennsylvania Legislature and the National House of Representatives, as well as Jefferson's Manual and other authorities, bills on first reading should be agreed to in order to bring them properly before the body, as amendment and debate are not in order until second reading. This gives every bill, after presentation, commitment and return to a Legislative body, a chance for life and assumes both its friends and its foes a fair opportunity to discuss, amend, agree to, or reject it on second or third reading, or on final passage.

I therefore rise to the point of order that the action of Common Council in rejecting C. C. Bill No. 1279, on first reading, was not good parliamentary practice and was not in order, and ask that the **Chair** so rule and that the minutes be corrected accordingly.

**The Chair**

The **Chair** is unable to determine the point. What is the decision of Council?

And Council decided the point of order not well taken.

The Chair took up

C. C. Bill No. 1439. An Ordinance authorizing and directing the Mayor of the City of Pittsburgh to make, execute and deliver in the name of and for the City of Pittsburgh a contract with the Grant and Liberty street Railway Company for the postponement of the laying of the tracks of said company upon Grant Boulevard, Dithridge street and Craig street and Cherry alley, and providing that municipal consent shall not be granted to any other company to use or occupy the alley, streets or portions of streets covered by said contract.

In Common Council January 25, 1906. Bill read a first time.

Mr. Morin moved

That further action on the bill be indefinitely postponed.

Upon which motion Mr. McNally demanded a call of the ayes and noes, and the demand having been sustained, the ayes and noes were ordered to be taken, and being taken were:

Ayes—Messrs.

Bailey	Milby	Clinton
Bergmann	Morin	Gray
Brand	McKnight	Sutherland
Girdwood	Perley	Dietrich
Martin		

Noes—Messrs.

Barr	Hammer	Porter
Barton	Helmold	Rapp

Mr. McKelvey moved

That the reading of the minutes of the previous meeting be dispensed with.

Which motion prevailed.

Mr. McKelvey asked unanimous consent at this time to present a resolution.

And unimous consent being given

Mr. McKelvey presented

C. C. No. 1521.

Whereas, Representative James Francis Burke has introduced in Congress a bill providing for the appropriation by the National Government of the sum of three million dollars (\$3,000,000.00) for the purchase of a site and erection thereon of a new Postoffice Building in the City of Pittsburgh; and

Whereas, We believe such improvement to be one of the most imperative needs of this great city, and feeling certain that a visit to Pittsburgh and an examination of the real situation will have much to do with so convincing the Committees of Public Grounds and Buildings and other officials of the Federal Government; therefore, be it

Resolved, By the Select and Common Councils of the City of Pittsburgh, that the Mayor be and is hereby authorized and directed, on behalf of the city to notify Public Buildings and Grounds Committees of the United States Senate and House of Representatives, the Postmaster General, and such other officials as may be deemed proper to visit the City of Pittsburgh as the guests of the city at an early date in order that they may acquire a thorough knowledge of our postal needs, and be thus enabled to act upon the pending measure with a full knowledge of all the facts; and be it further

Resolved, That a committee of seven (7), four from Common and three from Select Councils be appointed by the respective Presidents of Councils, for the proper entertainment of said officials.

Which was read.

Mr. McKelvey moved

The adoption of the resolution.

Which motion prevailed.

And the Chair appointed Messrs. McKelvey, Brand, Mathews and Porter.

Mr. Gulland moved

That Township Commissioners of the former Township of Sterrett, who were present, be sworn in as members of Common Council.

The Chair said :

"Until Council determines its right in law to admit these gentlemen as members, it is unwise to administer to them the oath of office. There will probably be better information at the next meeting of Council."

The motion was withdrawn.

Mr. McKelvey moved

A reconsideration of the vote by which C. C. Bill No. 135; "An Ordinance making appropriations for the fiscal year, beginning Feb-

ruary 1, 1906, for sundry purposes," as read a second time, was agreed to.

Which motion prevailed.

**Mr. McKelvey** moved

#### REPORTS OF SPECIAL COMMITTEES.

Mr. Taylor presented, as a report,

No. 1529. Opinion of City Solicitor on C. C. No. 1485, resolution making provision for representation of the late Sterrett township in Councils.

No. 1529.

PITTSBURGH, PA., February 17, 1906.

To the Honorable Members of the Common Council of the City of Pittsburgh.

GENTLEMEN:—I received your Resolution, C. C. No. 1486, referring Resolution C. C. No. 1485 to a special committee, which committee was instructed to secure the opinion of the City Solicitor on the points involved, and which points have reference to a claim made by the Township Commissioners of the late Sterrett township for admission to Councils as members of Councils.

There are a number of questions stated in the resolution, but which I do not need to answer seriatim.

Sterrett township was recently annexed to the City of Pittsburgh under the provisions of the Act of 28th April, 1903. The Commissioners now desire to be admitted as members of Council. The Act of Assembly referred to provides that in case of annexation "the councilmen of the city annexed shall become mem-

bers of the proper branches of Councils of the city, and the members of Councils of an annexed borough shall be members of the Common Council of the city, and remain until the expiration of the terms for which they were elected, and until their successors are duly qualified under the arrangement of the territory into wards."

It will be observed—

First. That there is no provision in the act for the admission other than that of councilmen of other cities and boroughs. Sterrett township had no councilmen and whilst the commissioners of Sterrett township may have performed certain duties analogous to those of councilmen of cities and boroughs, yet they do not come under the terms of the Act and, therefore, have no right to be admitted as members of the Councils of the city, and it would be improper to admit persons as members of Councils who are not entitled by law to act as such.

Second. The Act of Assembly above referred to provides for the arrangement of annexed territory into wards of the city to which it is annexed. I am not aware whether such action has been taken as respects Sterrett township or not. If not, an ordinance should be passed either annexing Sterrett township to an adjoining ward or wards, or creating it as an additional ward. If Sterrett township is erected into a ward, the Mayor may, under the provisions of the ordinance of May 9th, 1874, (See City Code, 399) issue his proclamation for a special election for such members of Council as the ward would be entitled to. If, on the other hand, the territory is annexed to another ward or wards, the representatives of such wards will represent the Sterrett township district, and no special election need be held therein.

Yours truly,

W. B. RODGERS,  
City Solicitor.

Which was read, received and filed.

C. C. No. 1485.

Resolution making provisions for representation of the late Sterrett Township in Councils.

In Common Council January 25, 1906. Referred to a special committee of three—Messrs. Taylor, Brand and McNally.

Which was read.

Mr. McKelvey moved

That further action on the bill be indefinitely postponed.

Which motion prevailed.

**COMMUNICATIONS FROM THE MAYOR.**

No. 1547. Communication, returning without approval,

C. C. Bill No. 1402.

Resolution instructing the Mayor and the Director of the Department of Public Works to notify the Allegheny County Light Company that the city will use service under the terms of the franchise.

Which was read.

PITTSBURGH, March 5, 1906.

*To the Honorable Select and Common Councils of the City of Pittsburgh.*

Gentlemen:

I return Bill C. C. No. 1402 without my approval. It is true, as stated in the resolution, that the Allegheny County Light Company is required by its ordinance to erect such number of lamps as may be demanded by Councils on any or all of the streets traversed by its wires at a price not to exceed 75 per centum of the price charged to private consumers.

The question is as to whether it is to the interest of the city to stand on that provision or make a contract irrespective of the ordinance. In my judgment, it would be better business policy to at least attempt to make a contract than to at this time attempt to enforce the ordinance in question. My reasons are these:

There is no data which is accessible as to what the lights will cost the city under the ordinance. I have followed the proceedings of Councils and committees

on the subject and am disposed to at least doubt the accuracy of the allegation of the resolution that the company is furnishing light to private consumers at the known cost of \$72 per year. Even if there be, as is claimed, a single case of such charge (and the company denies that such case exists), then the next question would be—are the conditions the same as respects length of time during which such light is used, and other elements entering into the case? Of course, if the conditions under which it is claimed that light is furnished at \$72, if that be the case, are different from the conditions with respect to city lighting, such charge would not be a fair criterion for the city service.

It is evident to me that the enforcement of this provision in the ordinance would result in litigation, the outcome of which would be uncertain, for the city would be in the position of proceeding to enforce an unknown rate, and be bound to pay it when ascertained, no matter what it might be found by the courts to be, and when ascertained there will be no certainty how long it would continue, because the company could advance its rates to private consumers and the city would be compelled to follow the company's rate.

There is another question in this connection which the Councils should consider seriously, and that is this: If the city now takes advantage of this ordinance and compels the company to furnish light under that ordinance it may be that that would be such an election upon the part of the city as would compel it in the future to take light from the Allegheny County Light Company under the ordinance, and thus prevent the city from hereafter erecting its own plant and furnishing its own light. In other words, the ordinance would constitute a contract between the light company and the city, and in case of a contract, both parties are generally bound by the terms of the contract, and neither can at will refuse to comply with such contract.

Again, the ordinance in question merely provides for lamps on streets traversed by the light company's wires. The city, under the ordinance, has absolutely no power to require the company to place any additional wires on any streets excepting those upon which wires are now strung. The result then would be that either the city must get along without any extension to its lighting system, unless the company was willing to extend it, or the city will be compelled to make a contract covering additional streets, and in that case to pay what the company may demand, or get along without light on such streets. I scarcely think this is a condition of affairs that Councils would care to place the city in.

I do not mean to be understood that the city shall submit to whatever exactions the company may impose with respect to its rates, but the matter should be considered with the view of making a contract, and not an arbitrary enforce-

ment of the provisions of this ordinance, which leaves everything as to price in uncertainty.

Yours truly,

W. B. HAYS,

Mayor.

And on the question, "Shall the resolution pass notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law and were:

Ayes—Messrs.

Bailey	Cronmiller	O'Brien
Barr	Dengler	Perley
Barton	Girdwood	Scott
Bergmann	Hammer	Semmelrock

Also

No. 1548. Communication from the Mayor approving

C. C. Bill No. 1336. An Ordinance levying taxes and assessing water rents for the fiscal year beginning February 1, 1906.

PITTSBURGH, PA., March 5, 1905.

To the Honorable, the Select and Common Councils of the City of Pittsburgh.

Gentlemen:

I have, with some hesitation, approved C. C. No. 1336, being for levying taxes and assessing water rents for the fiscal year beginning February 1st, 1906.

According to the best information which I am able to obtain, this ordinance reduces the water rents about \$150,000.

There has been no increase made in any item of revenue, and, therefore, there will probably be a deficit, caused by the change of the water rents, at the end of the year of about \$150,000.

I concluded, however, to approve this ordinance because, under the law, I have no power to do other than approve or disapprove the ordinance as a whole. I might have declined to sign the ordinance and let it become a law at the end of ten days without my approval, but the result of that would have been to delay the work of the collection of taxes for that period, and as March 1st is the time to begin the collection of revenues, it did not seem to me advisable to delay on that account.

Yours truly,

W. B. HAYS,

Mayor, City of Pittsburgh.

Which was read, received and filed.

Also

No. 1549. Communication from the Mayor returning

C. C. Bill No. 1333. An Ordinance making appropriations for the fiscal year, beginning February 1, 1906, for the use of the Department of Public Safety and disapproving of certain items therein.

PITTSBURGH, March 5, 1905.

To the Honorable, the Select and Common Councils of the City of Pittsburgh.

Gentlemen:

I return C. C. No. 1333, entitled "An ordinance making appropriations for the fiscal year beginning February 1st, 1906, for the use of the Department of Public Safety."

I disapprove of the following items in this bill, namely:

First—Appropriation No. 20A, for three additional tenement house inspectors, \$3,000.

Second—Appropriation No. 230A, engine house and police station in Thirty-second ward, \$35,000.

Third—Appropriation No. 230B, for fire apparatus in the Thirty-ninth ward, \$5,000.

My reasons are these: As respects the appropriation for tenement house inspectors, at the present time there are two tenement house inspectors who are compelled to do their own clerical work, and that, of course, interferes to some extent with their performance of their public duties. The Director of the Department of Public Safety has detailed a person in his department to act as clerk for these inspectors. Therefore, the two present inspectors will be able to give more attention to their regular duties, and I think that this branch of the service can get along without additional members during this year. In addition to that, if the annexation of the City of Allegheny takes place during this year, there will necessarily be a re-arrangement, and possibly it will become necessary to have an increase in the force, and they must be provided for when the necessity arises.

As respects the engine house and fire apparatus, I am informed by the Director of the Department of Public Safety that whilst it would be desirable to have this appropriation, still the department can get along during the year without these expenditures

Yours truly,

W. B. HAYS,

Mayor, City of Pittsburgh.

Which was read, received and filed.

No. 1550. Communication from the Mayor returning

C. C. Bill No. 1335. An Ordinance making appropriations for the fiscal year, beginning February 1, 1906, for sundry purposes, and disapproving of certain items therein.

PITTSBURGH, PA., March 6, 1906.

To the Honorable, the Select and Common Councils of the City of Pittsburgh.

Gentlemen:

I return C. C. No. 1335, entitled "An ordinance making appropriations for the fiscal year beginning February 1st, 1906, for sundry purposes."

I disapprove of the following items in this bill, namely:

First—Appropriation No. 116A, completion of bath house on Southside Recreation Grounds, \$5,000.

This item refers to a bath house which is erected upon a piece of property connected with the Southside High School and belonging, as I understand, to the Central Board of Education. The property upon which the bath house now stands has been leased or granted in some way to the Southside Playground Association. The contract provides that the bath house may be removed upon 60 days' notice. The intention now is by this ordinance to add another story to this bath house. I do not think it would be good policy for the city to invest its money in property held by this uncertain tenure.

Second—Appropriation No. 226A, purchase of ground and erection of bath house in Eighteenth ward, \$15,000.

Third—Appropriation No. 226B, purchase of ground and erection of bath house in West End, \$15,000.

Fourth—Appropriation No. 226C, erection of bath house in Washington Park, \$15,000.

Fifth—Appropriation No. 226D, erection of bath house in Thirty-first ward, \$15,000.

Sixth—Appropriation No. 226E, erection of bath house in Twenty-fourth ward, \$8,000.

Seventh—Appropriation No. 226F, erection of bath house on Lytle street, Hazelwood, \$10,000.

It is very evident to me that the appropriation for this year ought not to be inflated in the way that would result from the items above referred to. A reasonable appropriation for bath houses is quite proper, but the interests of the taxpayers of the city generally ought to receive consideration.

Very truly yours,

W. B. HAYS,  
Mayor, City of Pittsburgh.

Which was read, received and filed.

And on the question, "Shall the several items disapproved be the law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

C. C. Bill No. 1334. An Ordinance making appropriations for the fiscal year, beginning February 1, 1906, for the use of the Department of Public Works, and disapproving a certain item therein.

PITTSBURGH, March 5, 1906.

To the Honorable, the Select and Common Councils of the City of Pittsburgh.

Gentlemen:

I return C. C. No. 1334, entitled "An ordinance making appropriations for the fiscal year beginning February 1st, 1906, for the use of the Department of Public Works."

I disapprove of the following items in this bill, namely:

First—Appropriation No. 26B, retaining wall on Mission street, from Mission street to Barrie street, \$8,000.

While it might be desirable to have this wall, yet I think that it is advisable to attempt to keep the appropriations down, so that the city will not meet with a deficit at the end of this year.

Yours truly,

W. B. HAYS,  
Mayor, City of Pittsburgh.

Which was read, received and filed.

And on the question, "Shall 'Item, Appropriation No. 26-B, retaining wall on Mission street to Barrie street, \$8,000,' be the law notwithstanding the objections of the Mayor?"

The ayes and noes were taken agreeably to law, and were:

#### REPORTS FROM COMMITTEES.

Mr. Taylor, for Chairman Bole, presented No. 1566. Report of Committee on Finance for meeting March 14, 1906.

Also

From the Committee on Finance, with an affirmative recommendation, as amended:

C. C. Bill No. 1532.

Resolution authorizing the issuing a warrant for the payment of bills contracted by the Committee on Entertainment of the Congressional Committee on Public Grounds and Buildings for the sum of \$5,000.00, when the same shall have been approved by and certified by said Committee, being expenses incurred in the said entertainment, and charge the same to Appropriation No. 42, Contingent Fund.

Which was read.

Mr. McKelvey, by unanimous consent, presented

No. 1567.

Report of Joint Committee on Entertainment.

PITTSBURGH, March 19, 1906.

To the Presidents and Members of Select and Common Councils of the City of Pittsburgh.

Gentlemen:

Your Joint Committee on Entertainment of the Congressional Committee on Public Grounds and Buildings met and organized on March 1, 1906, by electing Mr. J. J. McKelvey as Chairman. Owing to the very limited time your Committee had to make arrangements, because of the visiting committee leaving Washington for Pittsburgh on Friday night, March 2, it was necessary to appoint sub-committees with power to act, not having time to go into the usual formality of receiving bids or discussing various ways on the entertainment of the Congressional Committee.

Messrs. Lennox and Mathews were appointed to act as an Escort Committee with full power to act and make all necessary arrangements.

A Committee was also appointed, consisting of Messrs. Brand, Kearns and Porter, to make arrangements for the banquet, housing of guests and such other matters as were necessary for the comfort of the guests during their visit. This Committee also had charge of all printing.

The Itinerary Committee consisted of Mr. Wainwright, assisted by Postmaster Holliday and Congressman Burke.

At a meeting of the Committee on the same day, at 2 P. M., the several sub-committees reported having made arrangements for the banquet, accorting of guests, hiring automobiles and such other arrangements as they, in their good judgement, saw fit to make.

Your Committee again met on March 19, for the purpose of auditing and approving bills for

the entertainment of the Congressional Committee, and report as follows:

Annex Hotel Company, To serving 366 guests at banquet, housing of Congressional Committee, furnishing sideboard, cigars, etc., telephone calls, carriage hire and other incidentals, as per contract.....	\$3,600.00
S. G. Lennox, Chairman Escort Committee, Expenses incurred by Committee, special train Washington and return, and return of Congressional Committee from Pittsburgh to Washington, railroad fares, sleeper fares, 2 meals en route, stocking of trains with refreshments, etc., baggage transfers and other incidentals.....	749.00
Eichbaum Company, for banquet cards and menus.....	321.75
Standard Automobile Company, Automobiles for March 3d and 4th.....	138.00
McMahon Bros., Special Badges.....	3.50
Nicholson Printing Co., Banquet chart, banquet tickets and table cards.....	70.00
F. E. Pelton, To reporting and transcribing proceedings at banquet.....	50.00
Lone Star Quartette, To vocal and instrumental music.....	25.00
Total.....	\$4,957.25

Respectfully submitted,  
JOHN J. MCKELVEY,  
Chairman Entertainment Committee.

Which was read, received and filed.

And on C. C. Bill No. 1532.

Mr. Taylor moved

A suspension of the rule to allow the second and third readings and final passage of the bill.

Which motion prevailed.

And the bill was read a second time and agreed to.

And the bill was read a third time and agreed to.

And the title of the bill was read and agreed to.

And on the question, "Shall the bill pass finally?"

## No. 75

**AN ORDINANCE**—Creating a Municipal Explosives Board, one of whom shall be known and designated as Inspector of Explosives, in the City of Pittsburgh, defining the powers and duties of said Board and fixing

certain salaries to be paid; providing for and regulating the granting of permits and providing for and regulating the sale, storage of petroleum, coal tar, shale oil, and their products; and drugs and chemicals which in their nature are combustible and explosive.

Section 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same, That there shall be, and is hereby created a Municipal Explosives Board, which shall be constituted as follows: The Board shall consist of four members; namely: The Director of the Department of Public Safety, who shall be ex-officio the President of the said Board, the Chief Engineer of the Bureau of Fire, the Superintendent of the Bureau of Building Inspection, and one person who shall be appointed by the Director of the Department of Public Safety, and approved by the Mayor, the said person shall have a qualified practical knowledge of Chemicals and of Chemistry, and of the manufacture, sale, storage and safe transportation of explosives and combustible liquids and solids in general, and who shall be known and designated as Inspector of Explosives, and whose duty it shall be to inspect all buildings and stations, the owner or occupants of which apply for, or have been granted, a permit by said Explosives Board to keep, store, use, sell and transport such explosives, chemicals and combustibles as are enumerated in said permit, and generally to enforce the several provisions of this ordinance, and the rules and regulations established by the Explosives Board and which have been approved by the Mayor. The Secretary of the said Municipal Explosives Board shall be the Chief Clerk of the Bureau of Fire.*

Section 2. The salary of the Inspector of Explosives shall be Twenty-five Hundred (\$2,500.00), Dollars per annum and the salary of the Secretary of the Municipal Explosives Board shall be Five Hundred (\$500.00), Dollars per annum each payable monthly from Appropriation No. 21.

Section 3. The Municipal Explosives Board herein and hereby created shall have full power, and it shall be its duty to grant permits, upon proper applications, to persons firms or corporations to keep, sell, store or transport such explosives, ammunition, fire-works, petroleum, coal or similar oils and their several products; and of drugs and chemicals herein after enumerated, within the limits of the City of Pittsburgh, in such quantities, and in accordance with such sales, and regulations as said Explosives Board may, in the interest of safety of life, limb and property determine, or as now or hereafter may be established by law.

## GUNPOWDER AND OTHER EXPLOSIVES.

Section 4. No person, firm or corporation shall manufacture, have, keep, sell or give away, any gunpowder, blasting

powder, smokeless powder, guncotton, dynamite, nitro glycerine, or other high explosives of any character, caps and fuses, within the limits of the City of Pittsburgh, except in quantities limited in the manner and upon the conditions herein provided, and under such regulations in special cases as the Municipal Explosives Board shall prescribe. Permits shall be issued to persons desiring to store for sale, gunpowder or any of the articles herein mentioned at a particular place in said City, to be named in the application for, and also in said permit, provided that the same be not in a building used in any part thereof as a dwelling, unless by special permit of the Municipal Explosives Board, and the persons having a permit from the Municipal Explosives Board may have on their premises, if actually kept for sale a quantity not exceeding at any one time 50 pounds Gun Powder, 50 pounds Smokeless Powder, or 25 pounds Blasting Powder; 25 pounds of Dynamite, 500 Caps, 500 Fuses, and no Gun Cotton or Nitro Glycerine whatever, unless specially authorized by the Municipal Explosives Board. All Gun Powder, Blasting Powder, Smokeless Powder and Dynamite to be kept in a separate receptacle from Fuses and Caps, and each receptacle to be perfectly fire-proof, plainly marked in three inch letters "Explosives—Dangerous," and located in a conspicuous place near an entrance, where it can be easily and quickly removed from the building, or in a special constructed vault approved by the Municipal Explosives Board. No Gun Powder, Blasting Powder, Smokeless Powder, Dynamite, or other high explosives, Caps or Fuses, in excess of 500 pounds shall be transported through or within the City, excepting between the hours of 12 P. M. and 10 A. M., and in a cover vehicle, plainly marked on both sides and ends, in six inch letters, "Explosives—Dangerous," together with the name of the person, firm or corporation transporting same, in equally conspicuous letters.

#### BLASTING.

Section 5. Every person now connected with as principal, or purposing hereafter to be connected with any blasting operations within the City of Pittsburgh shall make application to the Board of Explosives for a permit to keep and use explosives, and, before proceeding with the work, said application shall set forth the name or names of the party or parties that are to do the work, the location kind and character of excavation, or otherwise, to be done, and the blasting explosives that are to be used; the kind and character of magazines in which explosives shall be kept, fuses to be used, and the manner in which they are to be used. Upon examination and approval by the Board, a permit shall be granted, subject, however, to the future supervision of the Inspector of Explosives, who, when in his judgment life and property is endangered, shall order a cessation of the work until such change

in plan, method of work and procedure shall be arranged as to guarantee a proper degree of safety to the public and to adjoining property. The Inspector of Explosives shall fix the danger area on each side of every magazine in which explosives for blasting purposes are kept, and shall establish rules and regulations to govern drilling, tamping and firing of the same, to be formulated and so fixed as in his opinion the safety of the immediate community may demand; provided that no blasting shall be done during the hours of 7 P. M. and 7 A. M. and on Sundays.

#### AMMUNITION.

Section 6. No ammunition, loaded shells, cartridges, or primer shall be stored or sold without a permit for same being first issued by the Municipal Explosives Board. Application presented by any person, firm or corporation to the said Board for the privilege to store and sell ammunition, loaded shells, cartridges and primers, shall fully set forth and contain the following information:

(a) A description of the premises on, or in, which the ammunition, loaded shells, cartridges and primers are to be stored.

(b) The kind and maximum amount of said ammunition, loaded shells, cartridges and primers to be stored.

A survey and examination of the premises shall be made and a permit shall be issued, but in no event shall a permit be issued for a greater quantity or number than as follows:—

Loaded paper shot shells .....	900,000
Empty paper shells .....	100,000
Primers, .....	300,000
Pistol Metallic Cartridges .....	1,500,000
Blank Metallic Cartridges .....	1,000,000
Rifle Metallic Cartridges .....	500,000
Percussion caps .....	500,000

All primers with anvils shall be securely packed in tin boxes, or in cardboard boxes with partitions between each row, or heads of primers.

No Metallic ammunition of larger calibre than fifty-eight one hundredths of an inch shall be stored within the limits of the City of Pittsburgh.

#### FIRE WORKS,

##### Storage and Wholesale.

Section 7. No person, firm or corporation shall store, keep or sell at wholesale within the corporate limits of the City of Pittsburgh, any fireworks or compounds containing an explosive mixture, or any composition that is manufactured for use, or is used as a combustible, explosive or detonating compound, without first having made an application to the Municipal Explosives Board for a license, or permit, having first issued or granted by said Board to the party or parties so applying.

Section 8. Application for the storage and wholesaling of fireworks shall be presented to the Board in writing, and

shall describe the premises where the storage and sale is to be carried on. No permits to sell and store at wholesale will be granted where any part of the premises is occupied as a dwelling. No wholesale permits will be granted for the storage of fireworks in any building or on premises where any of the following kinds of business is carried on: (a) Where cigars or cigarettes are kept for sale; (b) where paints, oils or varnishes are manufactured or kept for sale or use; (c) where dry goods of any kind or other light materials of a combustible nature, except flags, paper lanterns, paper balloons or decorations, are kept for sale; (d) in carpenter shops or drug stores, in buildings where hemp, oil or any of the products of petroleum is sold, in any building where gun powder, blasting powder, gun cotton, dynamite, or nitro glycerine are stored; (e) where rosin, turpentine or matches, except safety-matches, are kept for sale.

Section 9. The sale and storage of the following goods is prohibited. All fireworks and firecrackers containing picric soda or picrates, firecrackers containing chlorate of potash or other high explosives, tableau fire containing chlorate of potash and sulphur in combination, all canes using chlorate of potash ammunition and the ammunition pellets for same, canes using blank cartridges and all blank cartridges pistols. Applications for wholesale permits must be filed with Board not later than May 1st in each year.

Section 10. All persons doing a general storage or wholesale business within the corporate limits of the City of Pittsburgh, before they can accept any firecrackers on storage, must secure a permit from the Municipal Explosives Board who, after a survey, will issue the same if, in their opinion, the public safety is not endangered. The storage of chlorate of potash crackers, or any firecrackers made from any composition other than sulphur, saltpetre and charcoal mixture, is prohibited.

#### FIRE WORKS.

##### Retail.

Section 11. No person, firm or corporation shall sell fireworks at retail without first having secured a permit so to sell. Applications for permits to sell at retail must be filed not later than June 1st of each year to the Explosives Board, and must give the following information: (a) name of person or persons by whom the permit is desired; (b) the location of the premises at which the goods are to be sold; (c) kind of building; (d) nature of business in which applicant is engaged in said premises. No retail permits will be granted for the sale of fireworks in any building (a) where paints, oils and varnishes are kept for sale or use (b) where dry goods of any kind, or other light material of a combustible nature, except flags, paper lanterns, paper balloons, or decorations are kept for sale; (c) in carpenter shops or drug stores; in

buildings where kerosene or other products of petroleum are sold, or any building in which gunpowder, gun cotton nitro glycerine, petroleum or any of its products, coal oil, camphene, burning fluid, or other products or compounds containing any of said substances are kept or sold. Nor in any building where tar, pitch, rosin, turpentine, or hay, is kept for sale or stored unless such substances are kept in a fire-proof vault.

Section 12. The sale and use of the following kinds of fireworks or explosives are prohibited: firecrackers and fireworks containing picric, or picrates, firecrackers containing chlorate of potash or other high explosives, colored fire containing chlorate of potash and sulphur in combination, all canes using chlorate of potash or other high explosive ammunition and the ammunition pellets for the same, canes using blank cartridges, and all blank cartridges pistols.

Section 13. The use or discharge of fireworks and firecrackers in the City, within the fire limits excepting on the Fourth day of July, the twelve hours proceeding and the six following, or except on such occasions as the Director of the Department of Public Safety and the President of the Municipal Explosives Board shall, by public order, or permit, grant, is hereby prohibited. Provided that such order shall have the sanction and approval of the Mayor.

#### PETROLEUM.

Section 14. No person, firm or corporation shall have, keep upon sale, or store in any place or building within the corporate limits of the City of Pittsburgh, any crude petroleum, coal or any similar oils, nor any of their products, the fire test of which shall be less than 110 Fahrenheit, established as the legal test of the State of Pennsylvania, except under the following provisions: these oils, or any of their products may be stored in buildings, the outer walls of which shall be stone, brick or iron, especially adapted to the purpose, which said warehouse shall not be occupied in any part as a dwelling; and if less than fifty feet from any adjacent dwelling, the same must be separated by a brick or stone wall at least ten (10) feet in height and twelve (12) inches thick, constructed in such manner as the Board of Explosives may prescribe.

Section 15. No refined petroleum, kerosene, coal or similar oil, or any product thereof, to be used in illuminating purposes, which is below the legal test as prescribed by the Act of Assembly governing the test for the State of Pennsylvania, March 5th, 1874, P. L. 189, shall be kept on sale, store or use within the corporate limits of the City of Pittsburgh, except as hereinafter provided. All said articles shall be tested and their quality determined by the Official Oil Inspector.

Section 16. No refined petroleum, kerosene, gasoline, naphtha, or benzene, benzole, carphine or burning fluid, or pro-

ducts or compounds containing any of the said substances, for store use, shall be placed above the cellar or basement of any building, except the same shall be contained in hard wood barrels, metallic vessels or tanks of a construction to be approved by the Municipal Explosives Board, and of a capacity not to exceed in the whole quantity the contents of fifty (50) barrels of fifty-five gallons each; provided, however, that the whole quantity of said refined oils that may be temporarily stored or kept over night in a building, no part of which shall be occupied as a dwelling, shall not exceed the contents of twenty (20) barrels unless stored in the manner provided for storing crude petroleum; and when stored in cellars or basements surrounded by walls of brick or stone, the whole quantity shall not exceed the contents of one hundred and fifty (150) barrels, unless stored in warehouses especially adapted for that purpose, as required for the storage of crude petroleum herein provided; also, that no quantity of said oil greater than five (5) barrels of fifty-five (55) gallons capacity, shall be stored or kept in any building occupied in any part thereof as a dwelling.

Section 17. No refined petroleum, kerosene, gasoline, naphtha, benzine, benzole, camphene, burning fluid, or products or compounds of any said substances, shall be allowed to remain on the sidewalk beyond the front line of any building or in or upon the streets, highways, or public places of the City of Pittsburgh, for a longer time than is actually necessary for the removal or loading of the same, except by special permission.

Section 18. No person, firm or corporation shall deal in, sell or give away, any refined petroleum or the products thereof, kerosene or other burning fluid, without first obtaining a permit therefor from the said Municipal Explosives Board, to be issued in accordance with the provisions of this ordinance and under the rules and regulations as they may prescribe. Said permit shall be posted up in a conspicuous place in the store or building of the person or persons to whom the same is issued, and may be revoked upon conviction of the violation of the provisions of this ordinance and the approved regulations of the Municipal Explosives Board.

Section 19. All persons, firms or corporations now owning or operating plants for manufacturing or refining petroleum, oil, coal tar, or shale oil, or treating inflammable or volatile oils, shall apply to, and obtain from, the Municipal Explosives Board a license or permit authorizing them to carry on such business under and in accordance with the provisions of this ordinance and regulations established by said Municipal Explosives Board.

Section 20. No license or permit shall hereafter be granted for the establishment of new and additional plants for the manufacturing, refining, or treating inflammable or volatile oils within limits

of the City, until after a survey of the proposed site has been made by the Inspector of Explosives and the Superintendent of the Bureau of Building Inspection, and an investigation had of all the conditions connected therewith as regards hazard of life and property. If they report favorably, and it appears that there are no buildings within one hundred and fifty (150) feet of the proposed manufactory or refinery and other conditions being satisfactory to the Municipal Explosives Board, they shall grant a license for the location desired.

Section 21. Refineries intending to operate, storage stations at points throughout the City other than refineries, shall make application to the Municipal Explosives Board for a permit authorizing such stations, and after an examination of the existing or proposed site and after an investigation of the conditions surrounding the same, permits may be granted for said storage stations by the Board.

Section 22. No permits will be granted for the storage at any such stations of the fluid product of petroleum coal tar, or shale oil exceeding the following: (a) of naphtha or other by-products having a fire test below 110 degrees Fahrenheit, in approved packages quantity equal to one hundred (100) barrels of fifty-five (55) gallons each. In approved tanks an amount not exceeding 8,000 gallons, (b) products having fire test of 110 degrees Fahrenheit or above, in approved packages an amount not to exceed two hundred and fifty (250) barrels of fifty-five (55) gallons each.

In approved tanks an amount which added to the amounts on storage in other forms on the premises as before described not at any time to exceed thirty thousand (30,000) gallons. Storage tanks above referred to shall be approved by the Municipal Explosives Board and substantially erected on piers or foundations of stone or brick.

#### TRANSPORTATION.

Section 23. Distilled products of petroleum, coal tar, or shale oil, having a fire test below 110 degrees Fahrenheit, shall be transported through the streets of the City only in one of the forms of container or package as follows:—

In hard wood or metallic barrels, metallic or galvanized iron tanks, each vessel to have a capacity of fifty-five (55) gallons or less or in tank wagons of the usual standard size.

Approved safety tanks, jacketed cans, or cans made from galvanized iron or heavy tin, each tank or can to have a capacity of not more than 10 gallons.

Approved cans of galvanized iron, jacketed cans, or cans made from galvanized iron or heavy tin, each tank or can to have a capacity of not more than five (5) gallons.

Cans made of galvanized iron, heavy tin, or terne plate, each of such cans to have a capacity of not more than

one gallon, these cans to be carried in substantial crates or cases.

Cans, drums or packages made of terne plate or tin, with a capacity of not more than ten (10) gallons each. Provided, however, that deliveries of such products to stores may be made in glass bottles containing not more than one (1) gallon each.

Section 24. In the transportation of naphtha through the streets of the City, no load shall be carried which in the aggregate shall exceed a greater number of gallons than is contained in twenty (20) barrels of a capacity of fifty-five (55) gallons each.

Section 25. Railroad tank cars used for the transportation of the fluid distilled products of petroleum, coal tar, or shale oil through the City shall be of the standard type of Master Car Builders Association tank car.

Section 26. All cars used in conveying or storing, or delivering naphtha shall have affixed to each side thereof a conspicuous label or sign upon which is marked in large letters, as follows: "Naphtha Car, in case of Fire, Beware of Explosion."

Section 27. The body of tank wagons used in the transportation and delivery of the fluid distillate of petroleum, coal tar, or shale oil, below a fire test of one hundred and ten degrees (110) Fahrenheit shall be constructed of iron or steel of not less than one-eighth (1-8) of an inch in thickness, with tight joints and with faucets so arranged that they can not be opened readily by any one except the duly authorized driver or person in charge.

Section 28. On the outside of the tank-wagon shall be painted in conspicuous letters the name of the company, firm or corporation operating the wagon and the individual number of the wagon.

Section 29. The owner or driver of a tank wagon shall file with the Secretary of the Municipal Explosives Board in writing the name of the owner, the size of the tank, the oil storage station at which the tank will ordinarily be filled its individual number, and the location of the premises provided for the storage of the tank-wagon at night.

#### JOBBER'S.

Section 30. Any person, firm or corporation now or hereafter engaged in the business of buying, selling, or distributing fluid products of petroleum, coal tar, shale oil, turpentine, or other burning or explosive fluids, in the original packages or otherwise, and known as jobbers, shall be required to make application to the Municipal Explosives Board for a permit to engage in and conduct such business. No jobbers' permit shall be issued unless the following conditions are complied with: (a) the building must be of brick or stone and have no sub-cellar; (b) the building shall not be occupied as a dwelling by more than one family; (c) no oil shall be stored above the grade of the floor; (d) no more than one-

third of the maximum amount of oils allowed by the permit shall be stored below the grade of the floor; (e) thorough ventilation must be provided in the building where the oils are stored.

Section 31. No packages of naphtha shall be opened for the sale of such material and all such sales must be made in the original sealed packages.

Section 32. The total quantity of oils referred to in this Ordinance stored in any buildings as covered by the jobbers' permit shall not exceed the aggregate one thousand (1,000) gallons, provided, however, that should the warehouse or building be approved fire resisting construction, and is not less than fifty (50) feet from any building not controlled by the holder of the permit, then and in that event, the Board may grant a permit to allow the storage of an amount not to exceed four thousand (4,000) gallons.

Section 33. The term Naphtha, or Naphthas, wherever used in this Ordinance shall mean fluid products of petroleum, coal tar, or shale oil, below 110 degrees Fahrenheit fire test, and such as are customarily adapted for use as fuel, lighting agent, motor power, solvent and detergent.

#### DRUG STORES.

##### wholesale.

Section 34. Every person, firm or corporation now, or hereafter, engaged in the business of selling drugs and chemicals at wholesale within the limits of the City, shall annually make application to the Municipal Explosives Board for a permit granting them authority to keep, store, and sell as the case may be, such drugs and chemicals as are herein enumerated giving the location and description of the premises and building in which the said wholesale business is to be continued or conducted.

The Board, after having caused a survey and examination of the said premises and building have been made, may issue a permit to the said person, firm or corporation so applying, but no permit shall be granted to any person firm or corporation to keep for sale, or to store at any time, a greater quantity of the hereinafter named drugs or chemicals than is hereinafter stated:—

**AN ORDINANCE**—Creating the office of Boiler Inspector, under and subject to the Department of Public Safety, defining his duties, fixing his compensation, providing for an assistant, fixing his compensation, and making provision for the expenses of the office.

Section 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same.* That the office of City Boiler Inspector and a Boiler Inspector's Assistant be and is hereby created under and subject to the Department of Public Safety, said officers to have not less than ten years' experience in the operating of steam machinery and not less than five years as a practical stationary engineer, and shall place with the Director of Public Safety the names of two local steam users and two stationary engineers as to his fitness for the position.

Section 2. The Boiler Inspector shall have charge of the inspection of all steam boilers, engines and machinery operated by any department of the city government; shall be charged with the enforcement of all ordinances of the city relating to steam boilers, engines and machinery operated therein, and shall perform all other duties incident to his office which may be prescribed from time to time by the Director of the Department of Public Safety.

Section 3. The Boiler Inspector shall examine all applicants for license as engineers to have charge of steam boilers, steam engines and appliances connected therewith in the City of Pittsburgh, under an Act of Assembly entitled "An Act to provide for the better protection of life and property by the examination and licensing of engineers having charge of steam boilers, steam engines and appliances connected therewith in cities of the second and third class of this Commonwealth, and providing penalties for violation," approved April 4th, 1905; shall grant all licenses authorized by the provisions of said Act; shall investigate all acts of incompetency or misconduct committed by any licensed engineer while acting under authority of his license, and if the Inspector shall be satisfied that such engineer is incompetent or has been guilty of misdemeanor, negligence, unskillfulness, or has endangered life, or willfully violated any of the provisions of said Act, he shall immediately suspend or revoke the license of such engineer, as the facts in the case may require, and shall do and perform all other acts and duties required of or imposed upon him by the provisions of said Act.

Section 4. No license shall be granted under said Act until the applicant shall have filed with the Boiler Inspector the receipt of the City Treasurer evidencing the payment to the city by the applicant

of the sum of three (\$3.00) dollars for an original license, or the sum of one (\$1.00) dollar for an annual renewal thereof; provided, however, that no charge shall be made for re-examination for transfer of a license from one grade to another.

Section 5. The Director of the Department of Public Safety shall appoint an assistant to said Boiler Inspector at a salary of fifteen hundred (\$1,500) dollars per annum.

Section 6. The salary of the Boiler Inspector shall be two thousand (\$2,000) dollars per annum, payable from an appropriation of forty-five hundred (\$4,500) dollars to be made annually in the ordinance making appropriations for the Department of Public Safety for the payment of the salaries herein provided, and to cover the necessary and incidental expenses of said office.

**A N ORDINANCE**-Authorizing and directing the Mayor of the City of Pittsburgh to make, execute and deliver in the

name of and for the City of Pittsburgh a contract with the Grant and Liberty Street Railway Company for the postponement of the laying of the tracks of said company upon Grant Boulevard, Dithridge street and Craig street, and Cherry alley, and providing that municipal consent shall not be granted to any other company to use or occupy the alley, streets or portions of streets covered by said contract.

Section 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same,* That the Mayor of said City of Pittsburgh be and he is hereby authorized and directed to make, execute and deliver in the name of the City of Pittsburgh, and for the City of Pittsburgh, the following contract with the Grant and Liberty Street Railway Company, and to affix thereto the corporate seal of said city:

#### ARTICLES OF AGREEMENT

Made and entered into this ..... day of ....., 1906, by and between the Grant and Liberty Street Railway Company, a corporation of the State of Pennsylvania, party of the first part, and the City of Pittsburgh, a municipal corporation of the State of Pennsylvania, party of the second part.

Whereas, An Act of Assembly of the Commonwealth of Pennsylvania, duly approved on the 3d day of May, 1905, entitled "An Act authorizing contracts between cities, boroughs and townships of the one part, and street passenger railway companies and motor power companies of the other part, providing for the keeping of certain streets free from street railway tracks by permitting the temporary relocation or abandonment of tracks already laid, or the postponement of the laying of tracks duly authorized, while preserving the rights of such company to resume the exercise of its said franchises upon the termination or breach of such contract," authorizes the making of contracts between street passenger railway companies and motor power companies on the one part, and cities, boroughs and townships on the other part, providing for the keeping of certain streets free from street railway tracks, or the postponement of the laying of tracks duly authorized, while preserving the rights of such companies therein; and

Whereas, The said City of Pittsburgh has given its consent to the construction, maintenance and operation of a passenger street railway over the following route by the said Grant and Liberty Street Railway Company:

Beginning on Virgin alley at its intersection with Liberty avenue; thence along Virgin alley to Grant street; thence along Grant street to Sixth avenue; thence crossing Sixth avenue to Dante alley; thence along Dante alley to Fountain street; thence along Fountain street to Seventh avenue; thence crossing diagonally Seventh avenue to Grant Boulevard;

thence along Grant Boulevard to Dithridge street; thence along Dithridge street to Centre avenue; and thence returning by the same route to the place of beginning. Also, beginning on Grant Boulevard at its intersection with Craig street; thence along Craig street to Centre avenue; and thence returning by the same route to the place of beginning. Also, beginning on Virgin alley at its intersection with Cherry alley; thence along Cherry alley to Water street; thence returning along Cherry alley to Virgin alley; and thence continuing along Cherry alley to Liberty avenue; thence crossing diagonally Liberty avenue to Tenth street; thence along Tenth street to Allegheny river, and returning by the same route to the place of beginning at the intersection of Cherry alley with Virgin alley; and

Whereas, The City of Pittsburgh desires that the laying of tracks and the maintenance and operation of its street railway over Grant Boulevard and Craig street shall be postponed, and the said Grant and Liberty Street Railway Company is willing to postpone the laying of said tracks and the construction of said street railway upon the terms and conditions hereinafter expressed;

Now, therefore, in consideration of the sum of one dollar paid by each party hereto to the other, the receipt of which is hereby acknowledged,

#### THIS AGREEMENT WITNESSETH

First—That the Grant and Liberty Street Railway Company covenants and agrees that it will not construct railway tracks or operate a street railway thereon over the following streets and highways in said municipality for the period of forty-five years after the date of the execution of this agreement; and that it will not thereafter commence the construction of said tracks and street railway over said streets and highways, except by and with the consent of the City of Pittsburgh thereafter given, upon such terms and under such conditions as Councils may by ordinance prescribe:

Grant Boulevard between Seventh avenue and Dithridge street; Dithridge street between Grant Boulevard and Centre avenue; Craig street, between Grant Boulevard and Centre avenue, and Cherry alley, between Water street and Liberty avenue.

Second—The City of Pittsburgh covenants and agrees that during the continuance of this agreement municipal consent shall not be granted to any other company to use or occupy the streets or portions of streets covered by this contract for street railway or passenger transportation purposes, in accordance with the provisions and subject to the time limit of said Act of Assembly.

It is understood and agreed that all of the covenants, stipulations and agreements herein contained shall extend to and be binding upon the respective parties hereto, and to their successors and assigns respectively.

In witness whereof the said Grant and Liberty Street Railway Company has caused its corporate seal to be hereunto affixed, attested by its Secretary, and this contract to be signed by its President, and this contract is signed and executed in the name of the City of Pittsburgh and for the City of Pittsburgh by its Mayor, and the seal of said city is by the Mayor hereto affixed, he having been duly authorized so to do by ordinance of Councils of said city. All done the day and year aforesaid.

## No. 434

**AN ORDINANCE**—Levyng taxes and assessing water rents for the fiscal year beginning February 1st, 1906.

Section 1. *Be it ordained and enacted by the City of Pittsburgh in Select and Common Councils assembled, and it is hereby ordained and enacted by the authority of the same.* That for the purpose of providing sufficient revenue for the payment of the interest on the funded debt and to provide sinking funds as required by law for the retirement of said debt at maturity, for the payment of the salaries of city officers and to pay the ordinary current expenses of the city, and for the discharge of other liabilities now due, or which may become due and payable during the said year beginning February 1st, 1906, taxes shall be and are hereby levied and assessed upon all property and other objects of taxation, as follows:

For Sinking Funds and Interest—Upon all property taxable for State or county purposes within the limits of said city prior to the annexation of Elliott Borough  $6\frac{1}{2}$  mills upon each dollar of valuation, except the property in said city designated as rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated as agricultural the tax shall be assessed at one-half of said rate.

For Ordinary Current Expenses of the City — Upon all property taxable for State or county purposes within the limits of said city  $8\frac{1}{2}$  mills upon each dollar of valuation, except the property in said city designated as rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated as agricultural the tax shall be assessed at one-half of said rate, for the payment of the bonded indebtedness of said city and the interest thereon.

Beltzhoover Borough Special Tax — Upon all property taxable for State or county purposes within the limits of the former Borough of Beltzhoover  $1\frac{1}{4}$  mills upon each dollar of valuation, except the property in said district designated as rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated as agricultural the tax shall be assessed at one-half of said rate.

Elliott Borough Special — Upon all property taxable for State or county purposes within the limits of the former Borough of Elliott 5 mills upon each

dollar of valuation, except the property in said district designated as rural, upon which the tax shall be assessed at two-thirds of said rate, and upon all property designated as agricultural the tax shall be assessed at one-half of said rate.

Esplen Borough Special — Upon all property taxable for State or county purposes within the limits of the former Borough of Esplen, 5 mills upon each dollar of valuation, except the property in said district designated as rural, upon which the tax shall be assessed at two-thirds (2-3) of said rate, and upon all property designated as agricultural the tax shall be assessed at one-half ( $\frac{1}{2}$ ) of said rate. The balance of receipts from said special taxes (after paying interest) shall be paid into a sinking fund for the district from which it is collected and shall be used for the payment of the special debt of said district.

Sterrett Township Special — Upon all property taxable for State or county purposes within the limits of the former Township of Sterrett 5 mills upon each dollar of valuation, except the property in said district designated as rural, upon which the tax shall be assessed at two-thirds (2-3) of said rate, and upon all property designated as agricultural the tax shall be assessed at one-half ( $\frac{1}{2}$ ) of said rate. The balance of receipts from said special taxes (after paying interest) shall be paid into a sinking fund for the district from which it is collected and shall be used for the payment of the special debt of said district.

D. 1895, and an Act of Assembly entitled, "An Act for the government of cities of the second class," approved March 7th, A. D. 1901, and an Act of Assembly entitled, "An Act amending and supplementing an Act entitled, 'An Act for the government of cities of the second class,' approved the 7th day of March, A. D. 1901, in the following particulars, etc., etc.," approved the 20th day of June, A. D. 1901, together with the ordinances of City Councils in such cases made and provided, the cost of which shall be paid from Appropriation No. 24, Bureau of Health.*

### SPECIFICATIONS

For the collection, removal and disposal of garbage, offal, tin cans, dead animals and condemned meat in and throughout the City of Pittsburgh from February 1st, 1906, to January 31st, 1907.

First. All the provisions of the following Acts of Assembly shall be deemed, taken, included and made part of the specifications, to-wit: An Act entitled, "An Act for the government of cities of the second class," approved the 7th day of March, A. D. 1901; and an Act entitled "An Act amending and supplementing an Act entitled, 'An Act for the government of cities of the second class,' approved the 7th day of March, A. D. 1901, in the following particulars,

etc., etc.," approved the 20th day of June, A. D. 1901; an Act entitled, "An Act to regulate the hours of labor of mechanics, workmen and laborers in the employ of the State or any municipal corporation therein or otherwise engaged on public works," approved the 24th day of July, A. D. 1897, and an Act entitled, "An Act creating a Bureau of Health in the Department of Public Safety in cities of the second class, defining the powers and duties thereof and of the officers thereunder, prescribing rules and regulations and laws respecting the public health, and authorizing and imposing fines, penalties and punishments for violations thereof," approved the 28th day of June, A. D. 1895.

Second. The liability of the city of collecting, removing and disposing of garbage, offal, tin cans, dead animals and condemned meat under these specifications shall be limited by the amounts provided by the provisions of this ordinance.

Third. The manner, mode and form of the removal and disposal of garbage, offal, tin cans, dead animals and condemned meat in and throughout the city under these specifications shall be by that process known as the reduction process, incineration method, or by some other equally as good method, subject to the approval of the Director of the Department of Public Safety, who shall be the sole and absolute judge as to what might be termed any other approved method.

Fourth. Any reduction, incineration or other plant or plants as may be necessary for carrying out these specifications in their entirety, shall be located within the limits of the City of Pittsburgh at such point or points as the Director of the Department of Public Safety shall select and approve, but the contractor may locate his plant or plants outside of the corporate limits of the City of Pittsburgh, if he so desires.

Fifth. If, in the disposal of garbage, offal, tin cans, dead animals and condemned meat in the City of Pittsburgh by reduction or any other method that may be used, there shall be any residuum, refuse matter or materials of any kind whatever of any offensive character arising or resulting from or remaining after said disposals, said residuum, refuse matter and material shall, within twenty-four hours, be removed from and beyond the limits of the City of Pittsburgh.

Sixth. The term "garbage," wherever it occurs in these specifications, means all refuse of animal and vegetable matter which has been used for food for man, and all refuse animal and vegetable matter which was intended to be so used, and includes condemned food. The term "dead animals," wherever it occurs in these specifications, means all dead animals, or parts thereof, not intended to be used for man.

Seventh. The garbage, offal, tin cans, dead animals and condemned meat shall be removed from all hotels, dwellings,

restaurants, stock yards, slaughter houses, markets, streets, alleys, lands, lanes, squares and all public places in the City of Pittsburgh.

Eighth. Collections shall be made daily, except Sunday, from all the public markets, hotels, restaurants, fish markets, butcher shops, hospitals, slaughter houses, and all other places where animals game or fowls are killed within the city; providing, however, that the removal of dead animals and animal offal shall be at such hours as shall be prescribed by the Director of the Department of Public Safety.

Ninth. During the months of June, July, August, September and October garbage shall be removed from all houses in the First, Second, Third, Fourth, Fifth, Sixth, Seventh, Eighth, Ninth, Tenth, Eleventh, Twelfth, Thirteenth, Fourteenth, Fifteenth, Sixteenth, Seventeenth, Eighteenth, Twentieth, Twenty-first wards, and that portion of the Nineteenth lying north of Penn avenue and east of Negley avenue, the dwelling houses and residences on North Negley avenue to be included therein, three times each week; the Twenty-fourth, Twenty-fifth, Twenty-sixth, Twenty-eighth, Twenty-ninth, Thirtieth and Thirty-seventh wards, three times each week; in all other portions of the city where garbage may accumulate, two collections shall be made each week. During the months of February, March, April, May, November, December and January the garbage shall be removed twice each week from all places designated hereinabove as requiring three removals during the summer months, and once each week from places requiring two removals each week during the summer months. Nothing contained in this paragraph shall interfere with the requirements of these specifications as set forth in paragraph eighth.

Tenth. Dead animals, lying upon any of the streets, alleys or public highways, or elsewhere, must be removed immediately to the disposal plant upon receiving notification thereof, either from the Bureau of Health or the Bureau of Police; and if the contractor fails, neglects or refuses to have the same removed within six hours after receiving notice, either by telephone or otherwise (excepting in cases where such notices shall be given between the hours of 9 P. M. and 6 A. M., in which instance the reckoning of the six hours shall be computed from 3 A. M.), the sum of \$10 per day for every day of failure, neglect or refusal to comply herewith shall be deducted from the next monthly bill of said contractor, which deductions shall be deemed, taken and treated as liquidated damages and not as penalties.

Eleventh. Garbage, offal, tin cans and condemned meat shall be collected in and transported through the streets of the city in vehicles with water-tight, closed metal boxes, the same to be approved by the Director of the Department of Public Safety, and shall not be changed without the approval of the

aforesaid Director. These receptacles or wagons shall have closely fitted lids, which lids must at all times be closed, and kept closed excepting when loading or unloading garbage, offal, tin cans or condemned meat, and must not at any time be driven over the public streets or highways in an overcrowded or overloaded condition. The wagons shall be thoroughly washed and disinfected each day immediately after the close of the day's hauling, and shall not appear on the public streets and highways of the City of Pittsburgh in an unsanitary or unsightly manner. For any failure, neglect or refusal on the part of the contractor or any of his agents or employees to thoroughly wash and disinfect daily the wagons as herein provided, there shall be deducted from the next monthly pay due the said contractor the sum of \$5 per day for each and every wagon not so washed and disinfected, which deductions shall be deemed, taken and treated as liquidated damages and not as penalties.

Twelfth. The entire work of collecting, removing and disposing of garbage, offal, tin cans, dead animals and condemned meat shall be at all times accessible to the Director of the Department of Public Safety or his authorized representatives.

Thirteenth. Each bidder shall submit with his bids drawings distinctly and clearly showing his method by which it is intended to dispose of the garbage, dead animals and animal offal; but no bid will be considered which contemplates the dumping of such material either within or without the corporate limits of the city, or feeding the same to animals, except as herein previously provided in case of residuum.

Fourteenth. All receptacles, carts or conveyances of whatever kind used for the collection and removal of garbage, offal, tin cans, dead animals and condemned meat shall be so constructed and loaded so as to prevent any part therein from falling on any of the streets, alleys, lanes or public highways of the city, and must have the name of the contractor and the number of the wagon printed on each side of the same in letters of the size to be easily read, and shall carry thereon at least one gallon of good quality of disinfectant for use in cases of emergency; and should any driver or employee of the contractor, by his carelessness or negligence, allow any garbage, offal, tin cans, dead animals or condemned meat to fall upon the public street, lanes, alleys, highways or sidewalks of the City of Pittsburgh, he shall immediately clean up the same and place it in the wagon or receptacle and thoroughly disinfectant the place on which said garbage, etc., etc., was dropped; and for any failure on his part to comply herewith there shall be deducted from the next monthly payroll or sum due the said contractor the sum of \$10.00 for each and every offense, which sum shall be deemed, taken and treated as liquidated damages, and not as penalties.

Fifteenth. No money, gratuity, reward, fee or other valuable consideration, except the compensation agreed to be paid by the city, shall be charged, received or taken by the contractor, or any of his agents or employees, for doing or failing to do any part of the work required to be done under these specifications.

Sixteenth. The contractor shall at all times use such appliances and employ such or so many men for the performance of all the operations connected with the work embraced under these specifications as will secure a satisfactory rate of progress and quality of work, and in case it shall appear at any time that the work, or any part thereof, is not being properly done, the same shall be immediately corrected upon the demands of the Director of the Department of Public Safety or his authorized representative, but no omission on the part of the said Director to notice or call attention to such defect shall be held to be a waiver of said rights of said Director to do so, or from directing the same to be corrected, as aforesaid.

Seventeenth. In case of failure by the contractor to comply in any respect with the specifications or with the contract, the Director of the Department of Public Safety shall have the right and power and is authorized to provide for the collection, removal and disposal of garbage, offal, tin cans, dead animals and condemned meat which the contractor shall fail to collect, remove or dispose of, and to charge the expense to the contractor, and the contractor and his sureties shall be liable for the expense incurred therein.

Eighteenth. The contractor shall make monthly reports or blanks approved by the Director of the Department of Public Safety, which shall show the number of full loads and parts of loads, or in case of dead animals, the number of species collected, together with the weights thereof, and shall be sworn to before the City Controller.

Nineteenth. All work shall be done under the supervision of the Director of the Department of Public Safety, and all details of such work as are not herein particularly specified shall be done in a manner acceptable to him.

Twentieth. The contractor shall have and maintain telephone communication with the office of the Bureau of Health, and be prepared to receive orders between the hours of 6 A. M. and 12 P. M. Said telephone communication to be at said contractor's own proper cost and expense.

Twenty-first. All wagons for hauling dead animals shall have a lid or covering of an approved design or style, which lid or covering must be at all times thrown over the wagon so as to cover up all carcasses or dead animals, excepting when loading or unloading.

Twenty-second. Any official or employee of the contractor for removing garbage, offal, tin cans, dead animals or condemned meat, using improper or the

language, being under the influence of liquor while on duty or demanding pay from citizens for service rendered, or falsifying any report he may be called upon to make, or if refusing to collect and remove garbage, offal, tin cans, dead animals and condemned meat without being paid for the same, except as is provided and allowed as compensation by the City of Pittsburgh, shall immediately be discharged and debarred from further employment in said work. Should the contractor keep in his employ or at any time re-employ any person or persons in violation of this paragraph, there shall be deducted from the next monthly sum due him five (\$5) dollars for each person for each and every day so employed, which sum shall be deemed, taken and treated as liquidated damages, and not as penalties. Only full grown men shall be employed in said work, and each of said employees shall wear in a conspicuous place a badge, showing his number and marked "Garbage Collector."

Twenty-third. The contractor shall indemnify and hold harmless the City of Pittsburgh, the Mayor, the Director of the Department of Public Safety and the Superintendent of the Bureau of Health of the City of Pittsburgh against any and all claims which may be made by reason of any infringement of any patent right in the use of any machinery or apparatus necessary in the disposal of the garbage, offal, tin cans, dead animals and condemned meat under these specifications; and said bond shall also indemnify and hold harmless the Mayor, Director of the Department of Safety and the Superintendent of the Bureau of Health of the City of Pittsburgh, its officers, agents or servants, and each and every one of them, against and from all suits or actions of every kind and description brought against the City of Pittsburgh, the Mayor, the Director of the Department of Public Safety and the Superintendent of the Bureau of Health, or any of its officers, agents or servants; and also from damage and costs to which it, they, or any of them may be put by reason of injury to the person or property of any other, resulting from negligence or carelessness, or otherwise, in the performance of its obligations under the contract, or from any defective or improper appliances used in the performance of the same.

Twenty-fourth. The contractor shall have printed, at his own cost and expense, a notice to be left at each and every hotel, tavern, eating house and dwelling house in the city, stating that a collector will call for offal, garbage and swill on certain days mentioned in the notice, and requiring that such offal, garbage and swill will be ready in prescribed and suitable vessels for the collector when he calls for the same. Each notice shall have appended thereon a copy in full of Section 20 of an Act of Assembly entitled, "An Act creating a Bureau of Health in the Department of Public Safety in cities of the second

class, defining the powers and duties thereof and of the officers thereunder, prescribing rules and regulations and laws respecting the public health, and authorizing and imposing fines, penalties and punishments for the violations thereof," approved June 26th, A. D. 1895. Before such notice is printed and distributed, however, a true copy of the same shall be submitted to the Director of the Department of Public Safety of the City of Pittsburgh for his approval.

Twenty-fifth. Each bid shall be accompanied with a bond in the sum of ten thousand (\$10,000) dollars, with two sureties, executed before the City Clerk or the Assistant City Clerk, or the bond of a Security Trust Company, for the acceptance of the contract if awarded by the City of Pittsburgh; or in lieu of such bond, a certified check or bank certificate of deposit, payable to the City of Pittsburgh, may be filed with the proposals, and the person or persons, firm or corporation to whom the contract is awarded shall file a bond to the City of Pittsburgh within ten days after the contract has been awarded in the sum of fifty per centum of the cost of said contract to faithfully carry out its provisions.

Twenty-sixth. All labor and equipment of every kind necessary to carry out the provisions of these specifications shall be furnished by and at the expense of the contractor.

Twenty-seventh. When the contract has been entered into it shall not be assigned, transferred or set over to any other person or persons, firm or firms, corporation or corporations, nor will any power of attorney to collect monies due be recognized, and any party assuming the direction of the work, or taking part therein, shall be considered as an employee under these specifications and under the contract. Any violations of the Acts of Assembly or the ordinance of these specifications, shall be sufficient cause for the immediate cancellation of the contract by the Mayor and the Director of the Department of Public Safety, who may thereupon employ the necessary labor to perform the work, or re-advertise and relet the work at the expense of the offending contractor and his sureties.

Twenty-eighth. All parts of these specifications are intended to be explanatory of each other, but in case any misunderstanding or doubt as to the meaning of any of the provisions thereof shall arise, the same shall be submitted to the Mayor and the Director of the Department of Public Safety for their decision, and their interpretation shall be final, binding and conclusive, without exception or appeal.

Twenty-ninth. Monthly payments shall be made to the contractor within the first ten days of each and every month, said payment to be made after the contractor has filed proper vouchers according to law for the same, and upon the certificate of the Superintendent of the Bureau of Health in such sums as may be agreed upon and fixed in the con-

tract hereinafter to be entered into between the City of Pittsburgh and the contractor, said payments to be made subject to the provisions of these specifications.

Members of the Fifty-eighth Congress, are to visit the City of Pittsburgh on May 8 and 9, 1905, to become more fully informed on its industrial situation in connection with the Ohio Valley and its tributaries, so that the information may determine the advisability of improving the Ohio river to a depth of nine feet, giving Pittsburgh a tide-water connection; Congress having ordered a survey. This improvement will cost about \$100,000,000, and will be completed in about ten years; and

Whereas, Pittsburgh being the greatest freight producer that will be directly benefited by this improvement, it is unusually fitting that the city should take charge of the Committee on Rivers and Harbors on its visit, and lend its aid toward its fitting entertainment; therefore,

Resolved, That a committee of nine be appointed by the Presidents of Councils (four from Select and five from Common) for this purpose, which committee shall have power to expend a sum not exceeding \$5,000 for the entertainment of the Committee on Rivers and Harbors. (And this sum shall be provided by transfer from Appropriation No. 26, Point Bridge, of the sum of \$2,500, and of deficiency, up to \$2,500, out of Appropriation No. 37, street repaving, and these amounts to be transferred to the Contingent Fund, Appropriation No. 42, and the warrants for above expenses to be drawn on said Contingent Fund.)

Passed April 28, 1905.

Approved May 1, 1905.

Resolution Book 1, page 108.

## No. 79

Whereas, Margaret J. Walker, now deceased, was the owner of a lot situated in the Twenty-first ward, Pittsburgh, fronting 20.88 feet on Mayflower street, and extending back 100 feet. The said lot was deeded to her by Annie Fuhr, nee Walker, and husband, on July 18, 1892, which deed was registered in the Deed Register's office of the City of Pittsburgh, on August 18, 1892, and that during the years 1897, 1898 and 1899 the City Assessors, through error, assessed said lot in the name of Annie E. Walker, instead of Margaret J. Walker, and for the said years Frank Fuhr, agent for said Margaret J. Walker, paid taxes on what he supposed was the property of Margaret J. Walker, but he found out later that he was paying taxes on property of Mary J. Walker, through the error of said Board of Assessors in not having the property properly transferred, and through no fault of his own, and the taxes on the property of Margaret J. Walker were never paid; and

Whereas, The City of Pittsburgh has filed liens at Nos. 882 Dec. Term, 1898, 961 December Term, 1899; and 827 December Term, 1900, D. T. D., against said lot, all of which liens are illegal, being filed against Annie E. Walker, instead of Margaret J. Walker, the registered owner, but they are a cloud on the title, and should be removed; therefore, be it

Resolved, That the Collector of Delinquent Taxes be and he is hereby authorized and directed to enter satisfaction in full, on the record in the Prothonotary's office, of Allegheny County, of D. T. D., No. 882, December Term, 1898; D. T. D., No. 961, December Term, 1899; and D. T. D., No. 827, December Term, 1900, and charge the costs to the City of Pittsburgh.
